

## Core Curriculum Course Review Rubric

Please use the anchor descriptions in the attached "Description of Core Areas: REVISED 4/28/04" to score each course.

1. Does the course description match what is in the catalog?  Yes  No

*If no, the change must be submitted through the university curriculum process*

2. Are Central Six tenets listed on the syllabus?  Yes  No

	<b>Exemplary</b>	<b>Meets standard</b>	<b>Need more information</b>	<b>Standard not met</b>
<b>Course Description</b>	Strong focus on core area	Focus on core area is satisfactory	Focus on core area is unclear	Course does not focus adequately on core area
<b>Student Learning Outcomes</b>	Most of the SLOs directly address the core area	Enough of the SLOs address the core area to make it an appropriate Core course	A minority of the SLOs seem to address the core area – needs further review	The SLOs do not address the core area adequately – course should be de-Cored
<b>Student Learning Assessment</b> <i>HLC Recommended</i>	The learning of all of the relevant SLOs is assessed in course assignments.	The learning of most of the relevant SLOs is assessed in course assignments.	Some of the relevant SLOs have assignments connected to them for assessment of learning.	There appears to be little connection between assignments on the syllabus and course SLOs.
