Program: Computer Science
Major: Computer Science
Degree: Bachelor of Science (B.S.)

University of Central Oklahoma Undergraduate Catalog 2019-2020

University Core  (Total Listed 42-44)

Specific courses within the University Core are listed on pages 95-96.
* Courses from the major may apply to the areas marked in the University Core.

Written and Oral Communication .............................................. 9
Quantitative Reasoning/Scientific Method ...................................... 10-11
  • Math .............................................................................. 3
  Life Science ...................................................................... 4
  • Physical Science .......................................................... 3-4
Critical Inquiry and Aesthetic Analysis ........................................ 6
  Aesthetic Analysis .............................................................. 3
  Critical Inquiry ................................................................. 3

Support Courses

Support Courses ................................................................. 0-9

Students majoring in Computer Science are encouraged to complete the following courses in high school.

Advanced Placement High School Programming Course OR
  CMSC 1513 Beginning Programming

* MATH 1533 Precalculus-Algebra OR
  MATH 1513 College Algebra OR Placement Score AND
  * MATH 1593 Plane Trigonometry OR Placement Score

*A grade of ‘C’ or better is required for either MATH 1513 or MATH 1533 and MATH 1593 to take MATH 2313.

Upon completion of the above courses, corresponding university core requirements will be satisfied. (These courses are required for this major regardless of previous degrees conferred.)
