MISSION STATEMENT

The Volunteer and Service Learning Center at UCO will provide diverse opportunities for students to perform meaningful service in the Edmond and Oklahoma City communities. The Center will act as a partner and resource for students, faculty and community members in developing and implementing volunteer and service learning projects. These efforts will promote civic engagement by instilling a commitment to public life through communities of practice.

COMMUNITY ORGANIZATION BOOKLET

In this booklet you will find the listing of several community organizations that serve the Edmond, & Oklahoma City Metro Area. Use this as a guide to finding the right organization for you to get involved. If you do not see something that interests you here, don’t worry! The Volunteer and Service Learning Center is here to help match you with the perfect volunteer opportunity!

**Poverty Awareness Week**
This week-long program of activities is centered around Shack-a-thon and brings awareness to issues surrounding poverty. Shack-a-thon consists of teams living in cardboard shacks they build around Broncho lake and panhandling for change which benefits a different charity each year. Past recipients of these funds have included Heifer International and Infant Crisis Services.

**Martin Luther King Day**
Each Martin Luther King Day, UCO is closed. However, our dedicated student body embraces the idea of "a day on, not a day off" and volunteers their time at Feed the Children in Oklahoma City. We pack food and personal care boxes for local, national and international children in need.

**The Big Event**
UCO is one of several universities that plan a Big Event each year. The event brings students together from organizations across campus for a day of service. In previous years, students have worked at local schools, Feed the Children, and dozens of other local charities and non-profit agencies.

Sponsored Events

The Broncho Difference
Each year in the fall and spring, UCO students gather for a service project on campus that focuses on different charities. We have packed and mailed care packages to our troops overseas, painted luggage for children in the Oklahoma foster care system and tie-dyed onesies for babies for infant crisis services. This project addresses different needs each time the Broncho Difference takes place.

9/11 Service Project
We begin this day by planting an American flag for each victim of the 9-11 tragedy around Broncho Lake. Through a partnership with the Edmond and OKC fire departments, students visit fire stations across the metro and cook a spaghetti dinner to share with them. Students are able to get to know the people who truly make a difference in our community by meeting and sharing a meal with the firefighters.

Alternative Spring Break
Students volunteer a week of their time during spring break and travel out of state to perform community service. Participants are chosen through an application and interview process. Past destinations have included Hurricane Katrina Relief in New Orleans, Habitat for Humanity in Lawrence, Kansas, Campus Kitch-
