PAYMENT PLANS

FEE PAYMENT DEADLINE IS AUGUST 31ST

All payment plans have a **\$40** setup fee and a **1.5% interest** charge for each installment that is not made in full.

Students must have their balance paid in full by the fee payment deadline each semester to avoid being administratively enrolled into a payment plan and charged an additional **\$40 late setup fee.**

Students must pay their balance **below \$500** to enroll or obtain a transcript even if they are on a payment plan and have been making faithful payments.
