Title: UCO Cares - Employee Relief Program

Description: An employee disaster and emergency relief program, funded by employees and others through the Foundation.

Category: Human Resources

Applies to: staff, faculty

Contact: [Human Resources](#)

Purpose: Through generous gifts from employees and others, the *UCO Cares Employee Relief Program* is available to help employees with short-term financial assistance during unexpected and unavoidable financial hardships and emergencies.

Policy **Overview:**

Statement:

Employees are eligible to apply for UCO Cares funds under multiple circumstances. However, employees should first use available resources such as medical/life/property insurance, short/long term disability coverage, personal savings, assistance from family members, etc., before applying for assistance. In the event an unexpected and unavoidable emergency places a financial hardship on an employee, he or she may apply for assistance.

Qualifications:

Situations that may qualify for assistance include, but may not be limited to:

- Accident or illness of the employee, or immediate family member* (assistance will not be provided for expenses covered by medical or disability insurance);
- Death of an immediate family member*
- Travel and other expenses related to the care of a critically ill employee, or immediate family member*;
- Natural disaster (flood, tornado, etc.);
- Other critical incidents: fire; emergency home repairs necessary for the physical well-being of the employee; or acts of violence that cause a dramatic disruption in income or loss of primary residence.

*Immediate family is defined as: spouse/life partner, brother/sister, children, step children, grandchildren, parents, step-parents, grandparents, current inlaws (mother/father-in-law, son/daughter-in-law).

Guidelines:

Under the *UCO Cares Employee Relief Program* and based on availability of funds, financial assistance may be extended to employees with at least six months of service. If an employee and spouse/life partner or other immediate family member are concurrently employed by UCO, only one application per family will be accepted for consideration per incident.

Type of Emergency or Disaster Considered

Home Catastrophe / Natural Disaster

Fire, flood, tornado -- living expenses; living arrangements; emergency home repairs necessary for the immediate physical well-being of employee; etc.

Funeral / Emergency Travel Expense

Funeral expenses or travel expenses for attending a funeral or caring for a terminally ill employee or immediate family member.

Personal or Medical Emergency

Accident or illness of employee or immediate family member, including care of a critically ill employee or immediate family member; or other non-medical emergencies.

How to Apply:

If an emergency has exhausted an employee's resources, he or she may qualify for funds from the UCO Cares Employee Relief Program. Since some people have difficulty asking for assistance, a co-worker may apply on behalf of an employee that could benefit from this program.
