Clery Act Reporting Requirements

Each institution of higher education receiving federal financial assistance under the programs authorized under Title IV of the Higher Education Act of 1965 is required to disclose annual information about campus crime and security policies as well as timely warnings in certain situations. The Clery Act (Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, 1990, as amended) specifically requires that colleges and universities have in place and disclose policies, practices and procedures including those listed below:

- Policies regarding procedures and facilities for students and others to report crimes or other emergencies on campus and the university’s response to such reports
- Policy concerning security of and access to campus facilities, including residences, and security considerations used in the maintenance of campus facilities
- Campus law enforcement policies, including enforcement authority, and policies encouraging accurate and prompt reporting of crimes
- Description of the type and frequency of programs designed to inform students and employees about campus security procedures and crime prevention procedures and practices to encourage students and employees to be responsible for their own security and security of others
- Annual reporting of statistics concerning the occurrence on campus, in or on non-campus buildings or property and on public property, the following criminal offenses: murder, forcible or non-forcible sex offenses, robbery, aggravated assault, burglary, motor vehicle theft, manslaughter, arson, arrests of persons referred for campus disciplinary action for liquor law violations, drug-related violations and weapons possession, and crimes in which the victim is intentionally selected because of ethnicity, disability, national origin, or gender identity
- Policy concerning the monitoring and recording through local police agencies of criminal activity at off-campus student organizations recognized by the university that are engaged in by university students, including student organizations with off-campus housing facilities
- Policy regarding possession, use and sale of alcoholic beverages and enforcement of state underage drinking laws
- Policy regarding possession, use and sale of illegal drugs and enforcement of federal and state drug laws.
- Description of drug and alcohol abuse education programs
- Campus sexual assault programs and procedures to prevent sex offenses
• Where information concerning registered sex offenders may be obtained
• Information regarding emergency response and evacuation procedures
• Policies, procedures, statistics and programs associated with sexual misconduct
• Fire safety information and statistics/equipment for campus residential facilities.
• Policy regarding missing student notification procedures

The University of Central Oklahoma (UCO) has implemented the Campus Safety and Security Reporting Policy which can be viewed at https://www.uco.edu/files/legal-policies/campus-safety-and-security-reporting.pdf. This policy articulates requirements under the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act) and specific responsibilities of offices across campus to help ensure compliance. This 2015 report complies with Clery Act requirements in place for the current year.

The University of Central Oklahoma divisions, departments and offices responsible for developing and implementing these policies, practices and procedures include the Division of Student Affairs, Safety and Transportation Services (Campus Police, Emergency Management, Environmental Health and Safety), Physical Plant (a unit of Facilities Management), Housing and Dining Services, Office of Information Technology, Office of Legal Services (Title IX Coordinator and Compliance Coordination) and the Athletic Department. In addition to working with appropriate campus offices and individuals, the university works with local law enforcement agencies to collect appropriate criminal statistical data for inclusion in the report.

New for 2015
On March 7, 2013, President Obama signed the Violence Against Women Reauthorization Act of 2013 (VAWA), which among other provisions, amended section 485(f) of the Higher Education Act of 1965, as amended (HEA), otherwise known as the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act). The Clery Act requires institutions of higher education to comply with certain campus safety and security-related requirements as a condition of participating in the Federal student financial aid programs authorized by Title IV of the HEA. Notably, VAVA amended the Clery Act to require institutions to compile statistics for incidents of domestic violence, dating violence, sexual assault, and stalking and to include certain policies, procedures, and program pertaining to these incidents in their annual security report. Full reporting requirements for VAWA went into effect July 1, 2015. UCO has included in this year’s report information to meet all VAWA requirements. In addition, changes to the Code of Student Conduct have been made to meet these requirements, many elements of which are replicated in this report.

Availability of Annual Report
The university will produce a final report for publication via the UCO web site and paper copies as may be appropriate. Notification of the availability of the report will be made to all currently enrolled students, faculty and staff members. Notification will be made to each individual by electronic means or via individual mailings. The report will be available to all interested persons, including prospective students and prospective employees via the UCO internet web site http://www.uco.edu/annualsecurityreport by October 1st of each year. The report is viewable and downloadable in Adobe® PDF or other formats as may be appropriate.

Upon request, paper copies of the report can be obtained by visiting or calling the Office of Human Resources (Lillard Administration Building), Office of Undergraduate Admissions (Nigh University Center), Police Services and other campus offices upon request. You can be connected to these offices by calling the UCO Campus Operator at (405) 974-2000. If you desire a paper copy of the report mailed to you at no cost by contacting UCO Police at (405) 974-2345.
**Timely Warning Policy**

In the event that a situation arises, either on or off campus, that, in the judgment of university officials, constitutes an ongoing or continuing threat, a “timely warning” will be issued. The university officials who evaluate each situation and exercise judgment as to issue or not issue a timely warning may include the university President, Provost, Vice President of Student Affairs, Vice President of Administration, Vice President of University Relations, Emergency Management Director and the Campus Chief of Police. The warning may be issued via various methods (e-mail, UCO web page notification, Central Alert system, network pop-up message, press release to local media, posters, flyers, memorandums, etc.) depending on the nature of the threat. If the threat does not pose a risk to the entire university community, the timely warning will be addressed to those community members who are subject to risk. These notifications will be issued without delay.

**Daily Crime Log**

A daily crime log is available for review 24 hours a day at the UCO Police Services Building, 100 N. University Dr., Edmond, OK 73034 (on the east side of University Drive, just north of Campbell St.) The information in the crime log typically includes the police case number, crime classification, date reported, date occurred, time occurred, general location and disposition of each crime. The log does not include names of parties involved.

**Campus Security Authorities (CSA)**

Pursuant to the Clery Act, UCO has identified individuals from across our campus who are required to serve as Campus Security Authorities. These include:

- Police and security staff
- Housing staff
- Athletic coaches, trainers and administrators
- Student organization sponsors
- Student affairs staff including International Student program staff, Campus Life, Greek Life
- Faculty with responsibilities or duties with students beyond the classroom
- Others that have a significant responsibility for student and campus activities

Each CSA is required to complete a training program sponsored by Police Services.

A CSA is responsible for reporting Clery Act crimes they discovered themselves or which they received in good faith from others. These crimes (including weapons, drug, alcohol offenses, dating violence, stalking, etc.) are reported to UCO Police Services who will investigate the incident or refer it to the appropriate office or agency for investigation. Incidents reported by CSA’s will be included in the Annual Security and Fire Safety report when it is appropriate. CSA’s are required to report Clery reportable incidents that occur off campus including incidents related to student travel (international and domestic) activities.

A CSA is NOT responsible for determining whether or not a crime took place – that is the responsibility of UCO Police Services or the law enforcement agency having jurisdiction. A CSA should never attempt to apprehend an alleged perpetrator of a crime. This too is the responsibility of law enforcement. It is also not the responsibility of a CSA to try and convince a victim of a crime to contact law enforcement if the victim chooses not to do so. However, if the crime is a sex crime, including sexual harassment, UCO policy requires that it be reported to the appropriate law enforcement agency for investigation except as prohibited by law (see Counseling and Confidential Crime Reporting).

CSA’s who have not completed training, due to being new in their position or for any other reason, should call UCO Police Services at 974-2345 to sign up for the next available training opportunity.
General Information – Reporting Crimes/Incidents

Crime Reporting
Crime victims and witnesses to a crime, regardless of the crime, are encouraged to promptly report incidents to the UCO Police or the appropriate police agency. To report a crime, the victim, if he or she elects to, or witness needs only to call the police and a police officer will meet them to gather information. An official report will be made with copies available to the victim after a completed investigation. Each month, the number of incidents in each category of crime are counted and reported to the Oklahoma State Bureau of Investigation, which in turn provides the information to the Federal Bureau of Investigation.

Each year the FBI publishes crime statistics in their Crime in the United States which includes accurate accounting of the known criminal incidents that occurred on the UCO campus.

To report a crime in progress, call 9-1-1 or you can call UCO Police directly via 405-974-2345.

Confidential Crime Reporting
Confidential reporting of crimes is allowed at UCO. If for a personal reason, a person does not wish to report an on-campus crime or suspected crime to the police, that person may anonymously report it. UCO police will always accept anonymous or confidential reports. An attempt will be made to investigate the crime if the reporting party provides adequate information and is supportive of the investigative action. In cases where no investigation is possible to verify the information provided, the statistics generated (if applicable to the Clery Act) will be identified via a caveat in the statistical portion of the Annual Report to reflect their status as anonymously reported. Reports will be taken via telephone, mail, e-mail or in person if the reporting person so chooses.

An additional method of making a confidential report is via the UCO Broncho Five-O program. This is a reporting method similar to Crimestoppers. It is available via telephone 24 hours a day by calling (405) 974-3483. Persons may report crimes that have occurred, or any information they may have about a criminal incident including those that have not occurred but are being planned and the caller has that information.

UCO police will always accept anonymous or confidential reports. An attempt will be made to investigate the crime if the reporting party provides adequate information and is supportive of the investigative action. In cases where no investigation is possible to verify the information provided, the statistics generated (if applicable to the Clery Act) will be identified via a caveat in the statistical portion of the Annual Report to reflect their status as anonymously reported. Reports will be taken via telephone, mail, e-mail or in person if the reporting person so chooses.

UCO Police Services (also know as Campus Police, UCO Police, DPS), a division of Safety and Transportation Services, encourages all persons to report any criminal activity, suspicious conduct, and other general emergencies to campus police via 9-1-1 from any campus or cellular telephone. Calls from a campus phone do not require entering “9” before 9-1-1. We are partnered with the City of Edmond’s Emergency Operations Center for 9-1-1 related calls.

Crimes in Progress or Other Emergency Reporting
To report an emergency (fire, smoke, crime in progress, medical/injury), persons should contact Police Services via 9-1-1, (405) 974-2345, an interior SafeWalk phone, exterior emergency phone, cellular phone or in person at their headquarters facility located on North University Drive, directly west of the Education Building. Any reporting method will stimulate the response of police, fire, ambulance or other first responders. In addition, the victim of a serious crime can request support personnel, such as ministers and rape crisis or domestic violence counselor, during or after reporting the incident.
Additionally, crime victims may be eligible for funds through victims’ compensation laws administered by the Oklahoma County District Attorney’s office.

Prompt reporting of criminal activity to the police enables a quick response, a timely warning if deemed appropriate, and a safer campus for everyone.

If you are the victim of a crime or a witness to one, you should do the following:
1. Call police immediately: Dial 9-1-1 for emergencies or call (405)974-2345 to reach UCO Police directly.
2. Obtain a description: Attempt to obtain a description of the offender(s), including gender, age, race, hair, clothing and distinguishing features. Also attempt to obtain a description and license plate number of any vehicle(s) involved. Note the direction of travel of any offender(s) or vehicle(s) and report these to the police.
3. Preserve the crime scene: Do not touch any items involved in the incident. Close off the area of the incident and do not allow anyone in the crime area until police arrive.

**Crimes Disclosed to a Pastoral or Mental Health Counselor**

During the course of counseling, professional counselors from UCO’s Student Center for Counseling and Well-Being or other professionals under contract with UCO to provide counseling services may become aware of unreported crimes such as sexual assaults. The Clery Act excludes pastoral and professional counselors from responsibility of reporting crimes discovered in their role as a pastoral or professional counselor.

A pastoral counselor is a person who is associated with a religious order or denomination, is recognized by that religious order or denomination as someone who provides confidential counseling, and is functioning within the scope of that recognition as a pastoral counselor.

A mental health counselor is a person whose official responsibility includes providing mental health counseling to members of the institution’s community and who is functioning within the scope of his or her license or certification. This definition also applies to professional counselors who are not employees of the institution but are under contract to provide counseling to the institution.

The UCO Center for Counseling and Well-Being, at its discretion, may provide information about these alleged crimes to UCO Campus Police without revealing the source or identifying any details of the alleged crime. If reported, only the tally and category of the alleged crime is reported -- nothing else. Police will not investigate any crime reported confidentially unless the victim of the crime files a report directly with UCO Police Services or with the police agency having primary jurisdiction where the alleged offense occurred.

**Obtaining Reports**

When an official report is filed, upon request, a copy of the report will be provided to the person reporting the incident if that person is the victim of the crime. Anyone can request a copy of a report or inquire about reported crime or incident by calling the UCO Police at 405-974-2345.

Persons who are not victims of the crime reported will be able to review basic report information on any incident reported. The basic information will include the date and time of the incident and when it was reported, the location of the incident, the classification of the crime or non-criminal incident, the name(s) of any persons arrested and the names of the UCO Police personnel involved. Reports made to other law enforcement agencies must be requested from that agency. The general report information on each reported crime or incident is available for public inspection 24 hours a day at the UCO Police Services building located west of the Education Building on N. University Drive.
Requests for incident reports or traffic collision reports by persons involved generally will be processed when the investigation is completed. UCO faculty, staff and students are not charged for obtaining report copies when involved in the reported incident.

The UCO Police are committed to complying with the Oklahoma Open Records Act and obligations under the Freedom of Information Act (F.O.I.A.) without undue delay, but realizes that under certain circumstances the release of records may have an impact on victims, witnesses and the integrity of investigations. If an investigation is ongoing and still open, a request for any related UCO Police report may be denied and information of a personal nature will be withheld or redacted where the public disclosure of such information would constitute an invasion of privacy.

Request by the general public for report information beyond the basic information required under the Oklahoma Open Records Act must be made to the UCO Office of Legal Counsel. They can be reached by calling (405)974-3377 to obtain information about how to make a F.O.I.A. request.

Broad requests for statistical information or reports for research or other public or private purposes may incur a charge for time spent and the cost of printing at the discretion of the university.

**Security of Facilities and Access to Residential/Other Areas**

The UCO campus is open to the public. There are scheduled times for all campus-building lockups/unlocks. These duties are performed by UCO police staff and others responsible for facility security. UCO police conduct building security checks seven days a week year-round. Students may be authorized to be in a building after lockup if they are under the direct supervision (physically present) of a faculty or staff employee or have pre-authorized written permission.

An informational publication (Student Housing Handbook) is provided by Housing and Dining Services as a guide for living in residence halls or other student housing. Each residence hall is staffed twenty-four hours a day by department personnel. All resident rooms and windows are equipped with locking devices. Educational programs are presented periodically to residents to increase awareness of safety and security issues. University housing facilities are patrolled by university police officers on a regular basis. Residents are encouraged to keep doors and windows locked. Tenants should report any suspicious activity to UCO police immediately.

**Maintenance of Campus Facilities:**

Security is provided in the maintenance of the university's facilities through a number of mechanisms, including periodic building checks, limitations on hours of operation, and restricting issuance of keys. University departments coordinate maintenance efforts to ensure that safety and security components of university facilities are continuously working properly. Mechanical or electrical failures in locks or other security components are repaired promptly. A frequent survey of exterior campus lighting is completed by members of Police Services as well as members of Department of the Physical Plant and staff from the Office of Housing and Dining Services to ensure they are working properly. Prompt repairs are made in all cases.

**Access Control and Surveillance Cameras:**

The Access Control Unit is a division of Safety and Transportation Services. This unit is responsible for all matters related to key issuance and lock management for UCO facilities. Access Control also provides maintenance of locking hardware, doors, and other lock/door related assets. Key issuance within residential facilities is managed by staff from Housing and Dining Services.

Faculty and staff needing key(s) for a particular location on campus must initiate a request with their Building Captain who, once it is approved at the departmental level, will submit a work order to the Department of the Physical Plant through UCO's FAMIS Work Order system. Access
Control staff then verify the information in the work order and process the request. The Building Captain and the faculty or staff member is then notified that the key(s) is available for pickup at the Police Services building. Keys may be picked up or turned in at any time, 24 hours a day. Faculty and staff who are leaving employment with UCO must turn in all issued keys through Police Services pursuant to the employment exit process overseen by the Office of Human Resources (974-2366).

Department supervisors may submit a key request form as soon as a new employee has accepted an offer of employment. Access Control will process the request, and will either deliver the key to the new employee on the first day of employment (new employee orientation) or the key will be available for pick-up at Police Services once notification has been made to the recipient.

Keys for academic or administrative structures will not be issued to undergraduate students except in special circumstances. A vice president's approval is required before any key is issued to an undergraduate student for an academic or administrative building. Problems with lock cores, broken or damaged keys, or other problems that prevent access or closure should be reported to Access Control immediately. If a problem exists that prevents a facility from being secured as is necessary, it should be reported to Police Services immediately so that alternative security actions can be implemented. Reported repairs will be handled in a prompt manner.

UCO has installed surveillance cameras in several facilities as of the time of this report with plans to expand the system across campus in coming years. Camera recordings can be reviewed at any time by UCO Police at their facility and they can also be viewed live. Any person in a UCO parking lot or in a UCO building (including off-site campus operations) should be aware that their presence and movements may be recorded by cameras depending on their location. No cameras are or will be installed in restrooms, dressing rooms or individual offices pursuant to UCO policy.

**Police Enforcement Authority**

UCO operates its own full-time, full-service police department. UCO police officers are duly commissioned State of Oklahoma police officers. A university’s authority to maintain its own police agency and individual officer authority comes from Oklahoma State Statute (74 O.S. 360). Each officer is certified by the Oklahoma Council on Law Enforcement Education and Training via attendance at the state-sponsored fourteen (14) week police academy at their facility in Ada, Oklahoma or through approved programs. UCO police officers have full police powers on property owned by UCO and any other property contiguous to property of UCO pursuant to an agreement with the City of Edmond. UCO police officers also have limited authority within the City of Edmond pursuant to the same agreement. Greek housing facilities, which are privately owned, fall under the Edmond Police Department’s primary jurisdiction.

The department's mission is: **To Serve, Support and Protect the University of Central Oklahoma Community.** Police officers perform a variety of tasks which include but are not limited to: emergency response, investigation of criminal activity, accident and fire response, traffic enforcement, SafeWalk service, assistance for stranded motorists, crime prevention, financial transports, security for special events and facility security.

In addition to enforcing local, state and federal laws, police officers are also authorized to enforce rules of conduct articulated in the Code of Student Conduct prepared and distributed by the Division of Student Affairs. Applicable sections of that document are duplicated in this report to meet Clery Act requirements. Non-commissioned personnel working for UCO Campus Police and all other university authorities are empowered to enforce university regulations and may, as United States citizens, enforce local, state and federal laws where applicable.
Arrest Authority of Campus Police and Other Personnel
Commissioned UCO police personnel have full arrest authority as provided by Oklahoma state statute. UCO Police Services employs a number of non-commissioned security personnel to provide basic security services in various areas of the campus. These employees, as well as residential housing staff, museum personnel, and others provide basic and variously defined security functions on campus and during off-campus events involving UCO students or employees. During the course of their duties, any of these personnel, as well as all other UCO personnel, have the right and responsibility under law to affect an arrest of a criminal violator pursuant to “citizen’s arrest” powers where circumstances permit. Referral to UCO police officers of all criminal matters, where immediate custodial arrest of an alleged perpetrator is necessary, is strongly encouraged in all but the most extreme circumstances where immediate action could possibly prevent physical injury.

Working Relationships with other Law Enforcement Agencies
UCO Police Services maintains an excellent professional working relationship with city, county, state and federal law enforcement agencies.

• City of Edmond – Our partnership with the City of Edmond Police Department is critical to our daily operations. The agencies coordinate investigation efforts, patrol activities, emergency response, special events and training on a routine basis. UCO and the City of Edmond have Memorandum of Understanding that articulates jurisdictional boundaries, court and jail access, and training initiatives. We also share a radio network to enhance communication between agencies.

• City of Oklahoma City – UCO owns or controls several properties within the city limits of Oklahoma City. UCO and Oklahoma City have a Memorandum of Understanding that articulates jurisdictional responsibilities and other essential partnership components to help ensure our properties and their occupants are safe and secure.

• Oklahoma County Sheriff’s Office – We work frequently with deputies and reserve deputies who provide assistance at special events on campus.

• AT&T Digital Evidence and Cyber Security Laboratory – The state’s primary digital evidence lab is located at UCO, in the W. Roger Webb Forensic Science Institute. The lab is managed by the Oklahoma State Bureau of Investigation (OSBI). It is staffed by law enforcement personnel from the OSBI, Edmond Police Department, Oklahoma City Police Department, and a full-time digital forensic examiner employed by UCO Police. The lab serves the entire state and investigates a wide range of criminal activity that involves digital evidence. A Memorandum of Understanding is in place between all participating entities that clarifies responsibilities of each unit.

• UCO Police Services works with other municipal, county, state and federal law enforcement agencies on a continual basis to better serve the university community.

Community Policing at UCO
For more than a decade, UCO police have maintained a community policing beat system to improve information exchange between campus police and members of the UCO community and to help delineate daily patrol activities geographically across campus. Police officers routinely conduct foot or bicycle patrols on campus and use the beat system to coordinate communication amongst members of the community and to focus daily efforts inclusive of crime prevention activities in response to possible crime threats. The beats are divided along geographical lines and/or by functional similarity. All campus facilities and grounds are incorporated into one of the six individual beats. For more information please call the Police Services Crime Prevention Unit at (405) 974-2345.
Emergency Phones

Emergency phones connected directly to the Police Services Communication Center are located at various locations across campus, including the first floor of academic buildings. The Police Services Communication Center is staffed by trained emergency communication personnel 24 hours a day, every day of the year. Exterior phones may be mounted to a structure or be pole mounted. These phones are tested frequently by Police Services staff. Several newer phones are radio-based and solar powered. Regardless of radio or landline, the location of the phone is known to the Police Services Communication Center when a call comes in. These phones may be used for emergencies or non-emergencies such as requesting information, directions or assistance of a non-emergency nature. UCO is continuously seeking to expand the emergency phone network on campus. If there is a location on campus you would recommend an emergency phone, please call Police Services at 974-2345 or e-mail the information to police@uco.edu.

SafeWalk

Individual circumstances, the time of day or even the weather can create anxiety for someone needing to walk to their car or to another building or location on campus. To help alleviate safety concerns, UCO operates the SafeWalk program. At any time of the day or night and any day of the year, staff from UCO Police Services will respond to your campus location and escort you to your next campus destination. The program serves all members of our community and our campus visitors.

Requests for a SafeWalk escort cannot be scheduled in advance due to various events and other requests for service that may exist at any given time on campus. Persons may request an escort by calling 974-2345 from a cellular or land-line telephone or by using one of the SafeWalk phones located on the first floor of most university academic buildings, or via an outdoor emergency phone. When making the request, you will be asked your exact location and your general description so that staff can more easily locate you. If you are waiting in a vehicle, we will also need a description of the vehicle and will ask you to remain inside the vehicle with the doors locked until we arrive. Response times will vary due to other activities taking place on campus, but generally wait times are less than ten (10) minutes and sometimes only a minute or two. During the evening hours, SafeWalk service is provided by student Community Service Officers employed by the UCO Police.

Environmental Health and Safety (EHS)

The EHS division of Safety and Transportation Services is responsible for overseeing compliance with federal and state requirements relative to environmental and occupational safety, Workers’ Compensation, risk management, building and fire code compliance on campus property. These activities impact all areas of the university including students, faculty, staff and visitors. Professionals in the EHS division are trained in dealing with safety matters encountered at the university. EHS also employs a full-time code compliance official who ensures that state and federal laws are met in regard to campus construction, fire system operations and general activities.

Hazards from EHS issues or potential hazards can be reported to the EHS division at 974-2216 or through UCO Police Services at 974-2345. If you observe a hazard that is creating an immediate emergency, you should call 9-1-1 from any campus phone or cellular phone.
Sex/Violent Offender Registration
UCO Police Services operates a registration system for persons who have been convicted of sexual or violent offenses that require registration pursuant to federal or state law. UCO works with the City of Edmond Police Department and the Oklahoma Department of Corrections in exchanging information regarding persons who must register with UCO pursuant to legal requirements.

The Campus Sex Crimes Prevention Act (CSCPA) of 2000 is a federal law that provides for the tracking of convicted sex offenders enrolled at, or employed by, institutions of higher education. The CSCPA is an amendment to the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Act. The CSCPA further amends the Family Educational Rights and Privacy Act of 1974 (FERPA) to clarify that nothing in the Act can prohibit an educational institution from disclosing information provided to the institution concerning registered sex offenders.

In addition to federal law, Oklahoma law (Title 57, Sections 583-584) requires anyone required to register as a sex offender to do so with both their local law enforcement agency (where they live) and the police or security department of any institution of higher education at which they are enrolled as a student (full or part-time), are an employee (full or part-time) or reside on any property owned or controlled by the institution of higher education.

Any individual who works at, lives at and/or is a current student at UCO that has been convicted of specific sex or violent offenses must register with UCO Police Services. Pertinent data will be collected and be available for public inspection pursuant to law. UCO registration information is available for inspection 24 hours a day at the Police Services facility or by calling (405) 974-2345.

Persons who fail to register will be subject to prosecution. Registration with UCO is required in addition to registration with the local police department where they reside. It is the convicted person’s responsibility to know whether or not to register with campus police and to ensure that registration is completed pursuant to law. Questions related to registration or persons needing to register may contact Police Services at (405) 974-2345.

Criminal Activity at Off-Campus Facilities
The Edmond Police Department, Oklahoma City Police Department and other departments, as may be appropriate, provide information to UCO regarding incidents that involve students and student organizations that are officially recognized by the institution. There is no official policy or law that requires notification by other law enforcement agencies of when students are involved in criminal activity off campus. If information about off-campus criminal activity involving a student or employee is obtained, UCO may, at its discretion, pursue disciplinary action through the Office of Student Conduct (students) or through the Office of Human Resources (employees). We also receive information from Campus Security Authorities (coaches, residence hall staff, program sponsors, etc.). These include Greek organizations and other student organizations, athletic teams, clubs, and individuals. Appropriate statistical data is collected from these agencies and included in the UCO Annual Security and Fire Safety Report required by the Clery Act. UCO Police Services actively seeks information from other law enforcement agencies regarding off-campus incidents involving student organizations/groups and will forward summary details to other university offices where it is appropriate and lawful.

Lost and Found
UCO Police Services will accept any item of value over $100 or that is traceable to its owner such as credit or debit cards, passports, driver’s licenses (or wallets, purses containing such identifying information), contraband (illegal to possess), cell phones, tablet computers, laptop computers and weapons.
We will hold any item for up to six (6) months if we cannot identify an owner and return it to them. After that time, UCO Police will, pursuant to state law, seek the court's permission to destroy, sell or convert items to department use.

UCO Police will NOT accept umbrellas, skateboards, perishable items, or other items that are clearly under $100 in value. Each building on campus, with some exceptions, has an office, such as a dean’s office, director’s office, etc. where low-value items can be brought and held for an indeterminate amount of time before it is disposed of.

If you have lost property, begin your search by contacting officials in the building or area where you believe you last saw the item. Otherwise, please contact UCO Police at our headquarters building on University Drive, or call 405-974-2345 for assistance. If your item cannot be found, UCO Police can take a lost property report documenting details of the item you lost to aid in its recovery, if found and turned over to police.

**Annual Fire Safety Report**

UCO's facilities and buildings were constructed to meet the existing fire code when originally constructed. Campus facilities have a number of fire protection features. Facilities are equipped with fire alarm systems that report to the Edmond Fire Department through the UCO Police Services Communication Center. The university has aggressively pursued networking of building fire alarms. UCO continues to upgrade fire panels in all academic and residential buildings that include voice-addressable capabilities. Police Services has an alarm-receiving panel within the police department who monitors all network-capable building fire alarm systems.

In addition to alarms, the university has fire suppression sprinkler systems in all new buildings including the largest structures on campus. Buildings protected by sprinkler systems are the W. Roger Webb Forensic Science Institute, Mitchell Hall, Center for Transformational Learning, Nigh University Center, Laboratory Annex Building, Education Building, Chambers Library, Evans Hall, the Commons, The Suites and the Transformative Learning Quadrangle (The Quad). These systems are inspected annually and maintained through a contract with a private-sector company with expertise in these systems. More than 700 fire extinguishers are located throughout the campus for use by occupants and trained emergency response personnel. These extinguishers are inspected regularly.

In addition to extinguishers, items that assist in fire-related emergencies are emergency lights and exit signage. UCO officials work closely with the Oklahoma State Fire Marshall and the City of Edmond Fire Department to ensure that all steps possible are taken to protect lives and property from fire and smoke. UCO’s fire safety efforts are coordinated by the Environmental Health and Safety (EHS) division of Safety and Transportation Services. The primary point of contact for fire safety issues is the UCO Code Compliance Coordinator within the EHS division – 405-974-2216.

**Emergency Egress (Fire) Drills**

- Emergency egress drills are conducted in January and September each year in the following residential housing facilities:
  - The Quad, Commons 1000, 2000, 3000, University Suites, Murdaugh Hall and West Hall.
  - Commons 1000, 2000 and 3000 are tested separately.
  - Collectively UCO conducted a total of **fourteen (14)** emergency egress drills in residential facilities in 2014.

Residence Life Fire Safety Information

Students living on-campus housing must comply with rules and procedures detailed in the “Student Housing Handbook – Your Guide to Campus Living.” The handbook articulates those electrical appliances that are permitted or forbidden. Permitted are: desk lamps, computers, radios, stereos, televisions, VCRs, DVD players, clocks, irons, curling irons, hair dryers, razors, heating blankets, toothbrushes, coffee makers (with automatic shutoffs), microwave ovens, blenders and small refrigerators. Prohibited are: devices for cooking, lighting or cooling that may create a fire or shock hazard, those that strain electrical capability of the facility or pose health or safety concerns. Any device with an open heating element is prohibited. No open flames from candles, incense or other materials are permitted. UCO adopted a tobacco free campus police in July of 2010. Smoking of tobacco products (or illegal materials) is not permitted. A recent amendment to this policy also prohibits E-cigarette usage anywhere on campus including residence halls.

The “Student Housing Handbook” also provides guidance for evacuation procedures in the event of a fire. These procedures are applicable to other circumstances that would require evacuation from a residential campus structure. The procedures reference the need to check doors before opening to ensure they are not hot from fire, closing doors when evacuating, exiting calmly and quickly and moving to predetermined meeting areas for each residential facility. Additionally, instructions detail the need to stay out of facilities until fire officials clear the building for re-occupation and the need to remain away from emergency personnel so they can perform their duties as well as other guidance. This document is available on-line from the UCO Housing and Dining web site: www.uco.edu/administration/housing.

Fire safety training programs are provided annually to all staff, including resident advisors. Student residential groups can also attend training on the use of fire extinguishers and other fire safety topics.

In the event of a fire, student residents are expected to report the fire to UCO Police Services by calling 9-1-1. All fires in residential housing are investigated by the Edmond Fire Department and UCO’s Code Compliance Official.

Emergency Management

UCO maintains a comprehensive emergency response plan that is compliant with the National Incident Management Systems (NIMS). We have also formed a campus emergency response team (Crisis Management Team) as well as a threat assessment team (TAT) and behavioral assessment team (B.A.T) to facilitate communication for the purpose of mitigating potential crises whether they be internal or external to the university community. UCO is also providing National Incident Management System (NIMS) training to faculty and staff to maintain our compliance with federal regulations in this regard. UCO was the first university in Oklahoma and one of only a few in the region to appoint a full-time emergency management coordinator. This position helps coordinate UCO’s emergency management initiatives.

In 2011 UCO was awarded a best practice award for various activities related to management of our storm shelter programs for severe weather by the Southern Association of College and University Business Officers (SACUBO) through their best practice award program. UCO won the grand prize that year and were honored to have been among other institutions competing for this award including the University of Georgia and University of Florida. UCO has worked diligently in recent years to enhance communication and shelter practices to benefit our community.

In 2011 and 2014 UCO was awarded recognition by the National Weather Service as a “Storm Ready” community through their nationwide program. Signs announcing this designation have been placed at strategic entry points of the university.
We have also expanded our crisis communication programs. Emergency Preparedness Guide booklets have been prepared and are available from offices and other locations campus wide or via the UCO web site. In addition, more than 900 Guide to Emergency Procedures flip charts have been installed in classrooms, labs, offices and other locations across campus. These vinyl, red-colored binders, as well as the printed booklets include information on numerous topics including how to respond to severe weather, building evacuation, fire, active shooters and bomb threat response. Each location that has a wall-mounted Emergency Response Guide flip chart has storm shelter information specific for that space listed in plain view on the external portion of the wall mount. We have also installed telephones in each designated primary shelter location, trained faculty and staff to be “Shelter Captains,” issued them two-way radios to communicate with UCO Police Services and have also provided them with a battery-powered megaphone to help aid in communicating to persons in the shelters. Many offices on campus also have weather radios provided and maintained by UCO Emergency Management.

Notification to University Community about an Immediate Threat
When UCO Police, Emergency Management, Environmental Health and Safety, President or other executive of the institution confirms an emergency or that poses an immediate threat to the health or safety of some or all members of the university community, the UCO Police and/or Emergency Management will utilize systems described under the Timely Warning section of this report to communicate the threat to the UCO community. The threat notification may be limited to the appropriate segment of the community if the threat is limited to a particular building or segment of the population. UCO Police, Emergency Management or authorized university executive (President and other members of the Crisis Management Team), without delay – and taking into account the safety of the community will determine the content of the notification and initiate the notification system, unless issuing a notification will, in the judgment of the responsible authorities, compromise efforts to assist a victim or to contain, respond to or otherwise mitigate the emergency.

Central Alert
UCO’s Central Alert program is the emergency notification system that allows authorized UCO officials to send news and instructions simultaneously to individuals through landline phones, cellular phones, text messaging and e-mail. The benefits of the Central Alert system are its immediacy and direct access to individual campus members through multiple points of contact.

Central Alert complements tools the university already has in place to respond to a range of emergencies that may include weather related closings, environmental health crises, public safety incidents and other unique emergency situations. In the event of an actual emergency, the university will continue to relay critical information using the most appropriate options from our full range of notification resources.

All students, faculty and staff are encouraged to update their contact information through either the Central Alert Channel or the Personal Information Channel on the Home Tab in UCO’s portal, UCONNECT (http://uconnect.uco.edu). Students can also add their parent’s home phone or e-mail to the list so they can be aware of information communicated through this system. Each person will be able to opt-in to receive text messages. There may be a charge from your cell phone provider for each text message you receive. UCO will only use this system in emergencies and for authorized system tests.

Each community member can also opt-in for weather-related messages. **Unless weather poses an immediate threat, UCO will not normally utilize a community-wide Central Alert to inform community members of campus closings or other general weather information.** By opting-in for weather messages, community members can receive this information. As with all text messages sent via Central Alert, the weather information message may incur a charge from your cell phone provider.
Medical Emergencies

Steps to take in a medical emergency:
1. Do not move the patient unless his or her life is in danger.
2. Have someone stay with the patient until help arrives.
3. Call 9-1-1. Tell them your name, your exact location and a brief description of the problem. Do not hang up until told to do so.
4. Meet emergency personnel to guide them to the patient.

UCO partners with the City of Edmond’s Communication Center for 9-1-1 related communication matters. They will notify EMSA, the Oklahoma City metropolitan area ambulance service as well as paramedics from the Edmond Police Department. UCO Police will also respond, when notified, to assist the patient and other emergency responders.

UCO has installed approximately 30 Automated External Defibrillators across campus. These devices are stored in conspicuous locations in white wall-mounted boxes. They are to be used by those trained in CPR and AED usage to assist patients who are experiencing life-threatening cardiac arrhythmias.

UCO partners with a private provider to operate the Student Health Center located in the Wellness Center. It is open during business hours, Monday through Friday. Appointments and inquiries can be made by calling 405-974-3115.

Emergency Response and Evacuation Procedures

• In the event of a confirmed emergency or dangerous situation on campus or an incident off campus that threatens the campus community, UCO will, without delay, initiate our emergency communication plan through mechanisms described below.
• UCO will, without delay, evaluate each circumstance believed to pose a threat to the safety of our community members and determine the proper mechanism(s) and content of emergency communication message(s). Emergency notifications may not be immediately initiated if, in the opinion of UCO authorities, they would compromise efforts to assist victims or to contain, respond to, or otherwise mitigate the emergency.
• Awareness of an emergency can come from any source. UCO Police Services is normally, but not always the starting point for evaluation of emergencies that may impact the campus community. When an emergency is reported, the information is forwarded to UCO authorities that comprise the Crisis Management Team (CMT). The CMT will promptly evaluate the emergency, determine who within the community needs to be notified, determine the content of the notification, the means of notification and initiate the emergency communication.
• Persons who comprise our Crisis Management Team who are responsible for carrying out this process are the following UCO personnel by title:
  o President
  o Provost/Vice President – Academic Affairs
  o Vice President – Administration
  o Vice President – Student Affairs
  o Vice President – University Relations
  o Executive Director of Safety and Transportation Services/Chief of Police
  o Emergency Management Coordinator
• Procedures for disseminating emergency information to the larger campus community are included in our emergency communication plan. The means by which a message will be delivered to the campus community may include but are not limited to:
  o Central Alert (voice, text message, e-mail)
  o Net Notify (computer network pop-up system)
  o Office Calling Trees
  o Residential Housing Notification Procedures
  o Voice Addressable Fire Systems (available in all academic buildings)
• UCO Web Site
• UCO Closing Line
• UCO’s official Facebook page
• UCO’s official Twitter account
• Media notifications
• Public address via police megaphone/vehicle and outdoor warning system

• Testing of our various emergency systems and procedures occur annually:
  o Our Central Alert system and other communication systems are tested no less than annually and more often when appropriate. The exact date and time are not announced, but the months of planned testing are provided to students in UCO’s network portal system.
  o Evacuation testing occurs in each residential structure each semester. These are not advertised in advance, but generally occur in the first two weeks of the semester during the evening hours when the largest population is likely present.
  o Evacuation testing of non-residential campus structures occurs at least once annually. These are performed without notice, during the business/class day.
  o UCO conducts emergency situation exercises at least once annually. These may be a table-top exercise in partnership with other governmental agencies, a functional exercise or full-scale exercise. These are scheduled in advance, but the context of the simulated emergency is not known to responders until the exercise commences.
  o Our shelter communication components are tested at least quarterly to ensure they are in working order. UCO is partnered with the City of Edmond and their severe weather warning system. The City of Edmond tests their systems regularly to ensure they are operating.

• UCO has installed Emergency Procedure Guides in more than 900 locations across campus. At each location, the wall-mounted holder for the guide includes a shelter location designation sticker specific to that particular location. In addition, emergency exit maps for each structure are installed across campus. These maps are specific to the exact location where they are installed and include a visual guide to primary and secondary emergency exit routes as well as a listing for the nearest severe weather shelter. These maps include a glow-in-the-dark background to ensure visibility if the lights are not working.

• In a Campus-Wide Emergency, such as a tornado or other event that threatens the entirety of the main campus, UCO officials will communicate with community members as rapidly as possible on actions that may include a campus-wide evacuation or information to shelter or lock-down depending on the nature of the emergency. The means to communicate this information will be the same as those listed above.
  o If a campus-wide evacuation is necessary an order to cease all activities will be communicated via multiple methods. All persons who have driven a car to campus should move immediately to their parked vehicle and orderly and safely drive away from campus, following all traffic regulations and traffic controls. Traffic controls may include police officers providing traffic direction. Persons who walked or bicycled to campus should leave campus by the most expedient route. Persons who arrived on campus via the CityLink bus system, should proceed to the bus stop located at Ayers and University Drive, or walk west from campus to the main CityLink station located behind the market pavilion near 2nd and Broadway in downtown Edmond. Persons who live in university residence facilities should report there unless directed otherwise.
  o In the event of an order to shelter in place, or to seek shelter in a severe weather shelter area, all persons should remain there until further communication from university officials is delivered via various mechanisms.
Natural Disasters

The following information is a guideline to aid you in determining what action you should take in severe weather.

Tornado Watch: Conditions are such that storms capable of producing a tornado may develop.

Tornado Warning: Either a tornado has been sighted or it is highly probable that one will develop. A warning will be signaled by the storm warning sirens operated by the City of Edmond and via warning systems on campus.

The City of Edmond tests its warning sirens once a month on a Saturday at noon. This test occurs unless weather conditions exist that might lead to confusion between a test and an actual weather emergency.

Tornado Precautions:

1. If you are in the warning area, seek shelter immediately. There are designated severe weather areas on campus in the following buildings:
   a. Chambers Library
   b. Transformative Learning Quadrangle (The Quad – Residence Facility)
   c. Liberal Arts
   d. Nigh University Center
   e. Howell Hall
   f. Communication Building
   g. Murdaugh Hall (Residence Facility)
   If you cannot move to one of these primary areas, move to the lowest area of the building nearest you (or the one you are in) and seek shelter in an interior bathroom or other interior space without windows. Each Guide to Emergency Procedures (red binder) installed on campus in classrooms, labs, etc., is labeled with the nearest severe weather shelter location (listed a-g. above) specific to the location of the space you are currently occupying.

2. If you are in a vehicle, get out and seek shelter in a sturdy building. If a building or other structure is not available, a depression such as a ditch or ravine offers some protection, but be alert for flash floods.

3. Do not open windows. This can actually increase damage to the building. Stay away from windows and exterior doors.

4. Basements, interior hallways on the lower floors and small interior rooms on the lower floors off the best shelter.

5. Do not attempt to turn utilities on or off.

6. Report injuries and damage to UCO Police at 405-974-2345. After the “all clear” announcement is made, leave badly damaged buildings and do not attempt to return unless directed to do so by emergency personnel.

Earthquakes:

1. Outdoors:
   a. In an earthquake, if you are outside, stay outside. Move away from trees, signs, buildings, electrical poles and wires. Protect your head with your arms from falling bricks, glass, plaster and other debris.
   b. Move away from fire, smoke or the smell of natural gas.
   c. Proceed to the emergency assembly area for your group if safe to do so. Check with your supervisor to determine your meeting location if you do not know it. If you are a student, follow the instructions from your class instructor/professor or emergency response personnel.

2. Indoors:
   a. Immediately take cover under tables, desks or other objects that may give you protection against flying and falling glass and debris.
b. If you are not near a sturdy object, make yourself as small as possible and cover your head and neck.

c. In an earthquake, you can also stand in a doorway. Brace yourself against the frame and watch out for swinging doors, other people and falling debris.

d. Avoid overhead fixtures, windows, filing cabinets, vending machines, bookcases and other heavy objects that could fall or shatter.

e. Stabilize any laboratory procedures that could lead to further damage or injury (turn off gas or electrical equipment).

f. After the effects have subsided, evacuate the building, move to open ground and call UCO Police to report any injuries, trapped persons or other immediate crisis. Please remember that in an earthquake that causes damage, persons in a wide area may be in peril from injury or being trapped in debris. Remain call and patient and help others to move to safety within your ability to do so.

**Missing Student Notification**

Pursuant to the Clery Act, UCO has implemented protocols to ensure that all reasonable and proper steps are taken in the event a student is discovered to be missing. The policy that has been implemented is as follows:

**UCO Missing Student Notification Policy**

The purpose of this policy is to establish procedures for the university’s response to reports of missing students, as required by the Higher Education Opportunity Act of 2008. This policy applies to students who reside in campus housing, including off-campus apartment units leased by the university for student residents. Any person (student, staff or faculty) believed to be missing from the campus unexpectedly shall be immediately reported to the Police Services Unit.

For purposes of this policy, a student will be considered missing, if a roommate, classmate, faculty member, family member or other campus person has not seen the person in a reasonable amount of time. A reasonable amount of time may vary with the time of day and information available regarding the missing person’s daily schedule, habits, punctuality, and reliability. Individuals will be considered missing immediately, if their absence has occurred under circumstances that are suspicious or cause concern for their safety. If the initial report that a person is missing is made to a department other than the Police Services Unit, the employee receiving the report will ensure that the Police Services Unit is contacted immediately.

Note: In order to avoid jurisdictional conflicts when an off-campus and/or commuter student is believed to be missing, the reporting person should immediately notify local law enforcement authorities. The UCO Police Services Unit will assist external authorities with these investigations as requested.

Police Services will conduct an initial investigation to determine if the person appears to be missing, or has simply changed his/her routine unexpectedly, and whether or not there is reason to believe the person is endangered. If the reporting person does not make this report within 24 hours, the institution will.

Police Service officers will check student’s login records, dining records, class schedules, interview fellow students, faculty and resident hall staff, and use other methods to determine the status of a missing person. From this initial investigation, the scope will continue to expand to make attempts to determine the location of the person reported missing to assure he/she is safe.

Should Police Services not be able to locate a person reported missing within twenty-four (24) hours of the report, Police Services would then notify the persons designated emergency contact. In the event that no separate emergency contact is identified, a parent or guardian as listed in university records will be contacted. Students should be sure that this contact knows how to reach the student in the case of an emergency, and have a general idea of the student’s general daily routine and any travel plans. This person should be someone you trust to aid officers in determining your whereabouts, or verifying that further investigation and/or entry into national missing person databases is warranted.
NOTE FOR STUDENTS UNDER AGE OF 18 AND NOT EMANCIPATED: For any student under the age of 18 who is not emancipated, the university must notify a custodial parent or guardian no later than 24 hours after the time the student is determined to be missing. For any situation in which a missing person is believed to be endangered, this notification will be made as early as possible while officers are continuing to investigate.

Additional Missing Person’s Information: In regard to Missing Person’s reports, information that is registered by the student will be confidential (assuming no FERPA release has been filed), and the information will only be accessible to authorized campus officials and it will not be disclosed, except to law enforcement personnel in the furtherance of a missing person investigation.

Alcohol, Drugs and Weapons on Campus

Portions of the UCO Code of Student Conduct (2015-2016) are duplicated in this report in regard to alcohol, drugs and weapons. For information on alcohol and drug abuse education programs please see Primary Crime Prevention and Awareness Programs in this report.

Alcohol: Possession, Use and Enforcement

Pursuant to policy, it is prohibited to use, possess, manufacture, distribute, or be under the influence of alcoholic beverages and/or non-intoxicating beverages as defined in 37 O.S. §163.2 except as expressly permitted by state law and regulations, or public intoxication. The use, possession, manufacturing, being in the presence of, or distribution of alcoholic beverages and/or non-intoxicating beverages, or illegal narcotics in any form, on campus properties, in University Housing (to include sorority and fraternity housing), or other University sponsored activities, unless explicitly and lawfully approved by authorized University officials for students is strictly prohibited. (Regional University System of Oklahoma Policy Manual; Section 4.3.3.b.) The use, possession, manufacturing, being in the presence of, or distribution of alcohol in powdered forms, on campus properties, in University Housing (to include sorority and fraternity housing), or other University sponsored activities, unless explicitly and lawfully approved by authorized University officials for students is strictly prohibited.

It is also strictly prohibited to drive, operate, or be in actual physical control of a motor vehicle (47 O.S. §11-902):

1. While under the influence of alcohol, any other intoxicating substance, or a combination thereof;
2. With a blood or breath alcohol concentration level at or above the applicable legal limit is prohibited.

**BAT and TAT**

The Behavioral Assessment Team (BAT) is a multidisciplinary team that meets on a regular basis to review and respond to reports of behavior by a university student, employee or visitor that may pose a threat of self-harm or a threat to the campus community and intervene at the earliest possible point. Team members coordinate resources and implement a coordinated response with the goal of providing assistance to the individual while mitigating risk in an effort to keep UCO healthy and safe. Participants in BAT include representatives from Student Affairs, Counseling Services, Housing and Dining, Police Services, Legal Counsel and Academic Affairs.

The Threat Assessment Team (TAT) is made up of a smaller number of BAT members and meets on an as-needed basis in the occurrence of what they deem is an imminent danger of threatening behavior to the UCO community.

**Title IX Coordination**

The Office of Legal Counsel serves as the federally mandated Title IX coordinators. Their goal is to ensure that the campus is in compliance with federal law, which prohibits discrimination or harassment based on gender, and disability, along with other protected classes. In addition, federal law requires that students are not denied participation in educational and other opportunities due to sexual violence or harassment. This includes:

- Investigation and consultation of Title IX/Title VII cases by the Legal Office
- Ongoing research involving updates to Title IX and Title VII issues, cases and information which may apply to the university
- Ongoing education of Legal staff through conferences, webinars, and reading material
- Educating UCO students, faculty and staff with campus-wide presentations and programs
- Oversee training of Title IX investigators
Disciplinary Proceedings - General
Anyone can report any instances of sexual harassment and sexual violence, as well as other crimes or violations of the Code of Student Conduct, to UCO Office of Student Conduct located in the Nigh University Center (450-974-2361). A complaint should be filed as soon as possible after the information about a violation is known to the person reporting. Complaints can be made in person or in writing. Reports of academic misconduct should be reported pursuant to the process outlined in the Code of Student Conduct.

If either the victim or accused are students, the incident will be addressed through the student conduct process once a complaint is filed. If the complaint involves a crime that is reported to UCO Police or another law enforcement agency, investigation of the crime and prosecution may occur and will be separate from the UCO disciplinary process. Student Conduct policies and processes are outlined in the Code of Student Conduct 2015/2016. This document is available online via www.uco.edu/student-affairs/conduct/files/codeofconduct. For specific complaint procedures related to sexual misconduct please see the Sexual Misconduct Complaint Procedures below which have been duplicated from the Code of Student Conduct for this report.

UCO strongly encourages individuals to report any instance of sexual harassment, sexual violence or other crimes to UCO Police or the police agency having jurisdiction where the crime occurred.

Sexual Misconduct Policies:

Sexual Misconduct Policy Statement
The University of Central Oklahoma will neither tolerate nor condone any form of sexual misconduct. Sexual misconduct includes, but is not limited to, instances of sexual harassment, non-consensual sexual contact, non-consensual sexual intercourse, sexual exploitation, stalking, domestic violence, and dating violence. In instances where there is reason to believe that University policy prohibiting sexual misconduct has been violated, the University will pursue disciplinary action. Sexual misconduct on campus, at university-related events, and against students or employees constitutes a report to the University Title IX Coordinator and/or law enforcement. All employees, save for counselors, pastors, and para-professional counselors, are responsible for reporting all details of sexual misconduct to the University Title IX Coordinator when they know or should know of an incident in violation of these policies. Individuals may request confidentiality from the University Title IX Coordinator, if they wish to make a report without revealing identifying information. (Please refer to the University policy for more information about employees responsible for reporting sexual misconduct, confidential reporting, and requests for confidentiality at http://www.uco.edu/files/legal-policies/ equal-opportunity-policy.pdf.

The University may immediately suspend any employee or student reasonably believed to have engaged in sexual misconduct in violation of this policy, with notice and hearing to follow promptly. The University has established procedures for timely reporting, investigation, and resolution of sexual misconduct reports. Even if the individual chooses not to press criminal charges, they have the option of pursuing sanctions through the University system. University sanctions may include, but are not limited to, warnings, probation, restrictions, suspension or expulsion. This policy applies regardless of the sexual orientation, gender identity and/or gender expression of individuals engaging in sexual activity.
**Definition of Consent**

For the purposes of this policy, the following definitions and provisions apply:

Consent is a knowing, voluntary, and clear permission by word or action to engage in mutually agreed upon sexual activity. Silence or passivity is not consent. Consent is not passive, but is active and freely given. Silence, in and of itself, cannot be interpreted as consent. Consent can be given by words or actions, as long as those words or actions create mutually understandable clear permission regarding willingness to engage in (the conditions of) sexual activity.

Initiators of sexual activity are responsible for obtaining consent. Consent to one form of sexual activity cannot automatically imply consent to any other forms of sexual activity, nor does it automatically imply consent of any sexual contact in the future. Previous relationships or prior consent cannot automatically imply consent to future sexual acts. Consent granted to one individual does not automatically imply consent to any other parties. Consent cannot be obtained from an individual who is incapacitated due to lack of consciousness, age, disability, or incapacitated due to drugs or alcohol. The use of intimidation, coercion, threats, force, or violence automatically negates any previously obtained consent.

**Definition of Incapacitation**

Incapacitation is a state where someone cannot make rational, reasonable decisions because they lack the capacity to give knowing consent (e.g., to understand the “who, what, when, where, why or how” of their sexual interaction). Incapacitation can occur mentally or physically, from developmental disability, by alcohol or other drug use, or blackout. Incapacity may also result from mental disability, sleep, unconsciousness, or from the ingestion of rape drugs.

**Definition of Force**

The use of physical violence and/or physically imposing on someone to gain sexual or non-sexual access to a person or their property. Force includes threats, implied threats, intimidation, and coercion that overcome resistance or produce reluctant consent.

**Definition of Coercion**

Coercion is unreasonable pressure for sexual activity, or any other physical activity. When an individual verbally and/or physically expresses that they do not want to engage in or continue in a sexual act, continued pressure beyond that point can be coercive.

**Examples of Sexual Misconduct**

1. Ignoring an individual’s protest and engaging in sexual activity.
2. Drinking and/or drug use may render an individual incapable of giving consent for sexual activity. For example, someone who is incapacitated may agree to have sex at the time, but have no memory of the consent. This person may have been functioning in a “blackout” and could not give effective consent.
3. Holding a person down or preventing a person from leaving the room and forcing him or her to engage in sexual activity against his/her will.

**Sexual Harassment Policy Statement**

Students should enjoy a learning environment free of inappropriate harassment, including, but not limited to sexual harassment perpetrated by fellow University students, other University
members, or non-affiliated third parties. Sexual harassment by any member of the University community, including students, faculty and staff, is a violation of both law and University policy, and will not be tolerated. Harassment between University employees, University employees and students, and/or student-on-student harassment is prohibited. These policies can be found on the UCO website at http://www.uco.edu/legal_and_policies.asp.

Definition of Sexual Harassment

Sexual harassment shall be defined as unwelcome sexual advances, requests for sexual favors, and other verbal, written, online, or physical conduct of a sexual nature in the following context:

1. When submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s employment or academic standing;
2. When submission to or rejection of such conduct by an individual is used as the basis for employment or academic decisions affecting such individual; or,
3. When such conduct is sufficiently severe, pervasive (or persistent) and/or objectively offensive that it has the purpose or effect of unreasonably interfering with, limiting or denying the ability to participate in, or benefiting from an individual’s education or employment program or activity.

Examples of Prohibited Conduct

Conduct, whether in person, in writing, by telephone, through social media, by electronic means, or otherwise, which is prohibited by this policy includes, but is not limited to:

1. Unwelcome sexual flirtation, advances, or propositions for sexual activity;
2. Continued or repeated verbal abuse of a sexual nature, such as suggestive comments and sexually explicit jokes;
3. Sexually degrading language used to describe an individual;
4. Remarks of a sexual nature used to describe a person’s body or clothing;
5. Display of sexually demeaning objects and pictures;
6. Offensive physical contact, such as unwelcome touching, pinching, or brushing the body;
7. Coerced sexual intercourse; and/or,
8. Actions indicating that benefits will be gained or lost based on response to sexual advances.

Non-Consensual Sexual Contact Policy Statement

The University of Central Oklahoma will neither tolerate nor condone any form of non-consensual sexual contact.

Definition of Non-Consensual Sexual Contact

Non-Consensual Sexual Contact is any intentional sexual touching, however slight, with any object, with another person without consent of that person.

Examples of Prohibited Conduct

Conduct prohibited by this policy includes, but is not limited to:

1. Unwanted sexual contact with a stranger or a friend, acquaintance, spouse, current dating partner, or former intimate partner.
2. Unwanted sexual contact committed by force, threat, surprise, coercion, intimidation, or through use of mental or physical helplessness.
3. Unwanted physical contact, such as touching, brushing, fondling, and groping the body.
4. Sexual assault and/or battery.
5. Sexual contact without consent.

**Non-Consensual Sexual Intercourse Policy Statement**

The University of Central Oklahoma will neither tolerate nor condone any form of non-consensual sexual intercourse.

**Definition of Non-Consensual Sexual Intercourse**

Non-consensual sexual intercourse is any sexual intercourse (anal, oral, or vaginal), however slight, with any object, with another person without consent of that person.

**Examples of Prohibited Conduct**

Conduct prohibited by this policy includes, but is not limited to:

1. Unwanted sexual intercourse with a stranger or a friend, acquaintance, spouse, current dating partner, or former intimate partner (including date or acquaintance rape)
2. Unwanted sexual intercourse committed by force, threat, surprise, coercion, intimidation, or through use of mental or physical helplessness
3. Ignoring an individual’s protest and engaging in sexual activity
4. Convincing an individual to have sexual intercourse with the use of unreasonable pressure (such as name calling, peer pressure, threats of violence, etc.)
5. Passive compliance when consent is not actively communicated
6. Sexual intercourse with an individual whose ability to consent is compromised due to alcohol and/or drug use
7. Sexual intercourse with an individual whose ability to consent is compromised due to mental disorder, developmental disability, intellectual disability, physical disability, age (being under 16), or family relations (incest).

**Suggestions for Survivors of Non-Consensual Sexual Intercourse**

If you experience non-consensual sexual intercourse, the most important thing is to know that it was not your fault. YOU are not guilty.

1. Do not bathe, change your clothes, douche, or do anything to change your appearance. Some important physical evidence may be gone after forty-eight (48) hours, so it is absolutely imperative to act quickly. However, there is not a statute of limitations on filing complaints within the Office of Student Conduct.
2. Contact Project SPEAK at (405) 974-2224 (if during UCO business hours) or call the 24-hour YWCA hotline at (405) 943-7273. An advocate may accompany you to UCO Police Department or the hospital, but they recognize that this is your decision. The Project SPEAK representative or YWCA advocate will assist you regardless of your decision about reporting. If you elect to go to the police or the hospital, you are strongly urged not to undergo this ordeal alone.

Call UCO Police Department and report the incident, even if you do not want to prosecute. It is important to report the incident so that the crime can be reported for the protection of others.
Go to the nearest hospital emergency room (ER), regardless of whether you have physical injuries resulting from the assault. The ER will provide testing for semen, pregnancy, and sexually transmitted infection (S.T.I.) tests. In addition, this will help if you choose to pursue criminal charges. Even if you do not want to prosecute now, you may change your mind later. It is important to return for a repeat syphilis test in six (6) weeks since it often takes that long for a positive result when a person is infected.

A follow-up check may be recommended by the health care provider since some S.T.I.’s cannot be detected immediately.

**Sexual Exploitation Policy Statement**

The University of Central Oklahoma will neither tolerate nor condone any form of sexual exploitation.

**Definition of Sexual Exploitation**

Sexual exploitation is taking non-consensual or abusive sexual advantage of another for one’s own advantage or benefit, or to benefit a person other than the one being exploited. This policy also covers sexual misconduct which does not fall within the definitions of sexual harassment, non-consensual sexual contact, or non-consensual sexual intercourse.

**Examples of Prohibited Conduct**

Conduct prohibited by this policy includes, but is not limited to:

1. Sexual voyeurism (such as watching another person undress, use the bathroom or engage in sexual acts without the consent of the person observed)
2. Taking pictures or video or audio recording, or providing for the observation by a third-party of another in a sexual act, or in any other personal/private activity without the consent of all involved in the activity
3. Disseminating sexual pictures, audio, video, or other media without the consent of the depicted person
4. Communications that are obscene, lewd, or indecent.
5. Engaging in prostitution or prostituting another student
6. Engaging in sexual activity with another person while knowingly infected with human immunodeficiency virus (HIV) or other sexually transmitted infection (STI) and without informing the other person of the infection
7. Administering alcohol or other drugs (i.e. “date rape” drugs) to another person without his or her knowledge or consent.

**Stalking Policy Statement**

The University of Central Oklahoma prohibits stalking. Actions resulting in charges of stalking under this policy may also be subject to criminal or civil sanctions, independent of University actions. This policy governs the conduct of all members of the University of Central Oklahoma community, including students, faculty, staff, and visitors.

**Definition of Stalking**

Oklahoma law defines stalking in 21 O.S. §1173, as any person who willfully, maliciously, and repeatedly follows or harasses another person in a manner that (1) would cause a reasonable person or a member of the immediate family of that person to feel frightened, intimidated,
threatened, harassed, or molested; and (2) actually causes the person being followed or harassed to feel terrorized, frightened, intimidated, threatened, harassed, or molested.

Two or more acts, including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person’s property shall constitute stalking.

Examples of Prohibited Conduct

Conduct prohibited by this policy includes, but is not limited to:

1. Purposefully following or appearing within the sight of that individual;

The existence of such relationship shall be determined based on consideration of the following factors: length of relationship, type of relationship and, frequency of interaction between the persons involved in the relationship. Dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse. Dating violence does not include acts that meet the definition of domestic violence.

UCO’s policies and procedures for reaching closure to misconduct of all forms are based on due process, confidentiality and fairness. If possible, an outcome will be sought through an informal manner. These sections are replicated from the Code of Student Conduct for the 2015 Annual Security and Fire Safety Report.

**Hearings:**

If the allegations cannot be appropriately resolved in an informal manner, then official notice of all the reported allegations shall be presented to the respondent in written form (if they have not already been presented). A copy of the official notice and advisement of the upcoming hearing shall be forwarded to the respondent. Official notice of the reported allegations shall also be presented to the complainant. A date and time shall be set for a hearing which does not conflict with students’ class schedules. At the discretion of the Director of Student Conduct, the date and time for hearings may be adjusted due to exigent circumstances, such as cases involving Temporary Suspension (see Section III.M.). All hearings are closed and shall be conducted in private.
The notice for the hearing shall include:

Copies of the recordings shall be provided by the University at the request of any party to the proceeding. Costs of transcription of the recordings may be borne by the party requesting the transcription. For further review, electronic and/or digital recordings of any hearing or appeal hearing may be submitted for review without transcription unless otherwise required to be transcribed. In such cases, the expense of transcriptions shall be taxed and assessed against the requesting party.

The complainant, university investigator, respondent and their advisor(s), if any, shall be allowed to attend the entire portion of the , except the deliberation period(s). Admission of any additional person(s) to the hearing or the role adjustment of any currently involved person(s) shall be at the discretion of the chairperson of the hearing body.

In hearings or appeal hearings involving more than one (1) respondent, the chairperson of the hearing body, at his or her discretion, may permit the hearings concerning each student to be conducted separately or jointly. The complainant and respondent shall have the right to be assisted by any advisor they choose, at their own expense, unless that person’s presence and/or actions disrupt the operations of the hearing. The complainant and the respondent may be assisted by no more than one (1) advisor each. The advisor may be an attorney.

The complainant and the respondent are responsible for presenting his, her, or their own case and, therefore, advisors are not permitted to speak or to participate directly in any hearing or appeal hearing. Participating students should select an advisor or person whose schedule allows attendance at the allotted dates and times for Student Conduct Hearings. Generally, delays shall not be allowed because of scheduling conflicts of advisors.

The complainant, the respondent, and the hearing body shall have the privilege of proposing witnesses and questioning the witnesses of other parties. Whereas not required, the complainant and respondent parties may be asked to provide the amount of and/or names of their advisor and witnesses prior to the hearing for logistical preparation purposes. An advisor and witness list form may be acquired from the Office of Student Conduct Orgsync page.

The complainant, respondent, and/or university investigator will be allowed to propose no more than five (5) witnesses each. Advisors may not serve as witnesses during the same hearing. Witnesses may be called to provide information to and answer questions from the hearing body and opposing parties. Questions from the opposing parties shall be directed towards the chairperson of the hearing body rather than to the witness(es) directly. This method is used to preserve the educational tone of student conduct hearings and to avoid the creation of an adversarial and/or hostile environment.

During student conduct hearings, participants have the opportunity to offer information on their own behalf and to review all information, statements, or information presented.

Additional records, exhibits and written statements may be accepted during the hearing as information for consideration by a hearing body at the discretion of the chairperson.

All procedural questions are subject to the final decision of the chairperson of the hearing body. The chairperson may consult with a representative of the Office of Student Conduct and/or University Legal Counsel at any point during the hearing.

Formal rules of due process, procedure, and/or technical rules of evidence, such as are applied in criminal or civil court, are not used in student conduct proceedings.

Members of the hearing panel (Student Conduct or Title IX) may ask questions of any person present during a hearing and the chairperson may invite questions and comments from hearing participants. The chairperson may also invite questions or comments from advisors or others present. The chairperson may reconvene a hearing if the hearing body decides that essential information has not been presented. The hearing shall be reconvened at the earliest practical time that the necessary information will be available.

After the chairperson has determined that all necessary information has been presented and questions answered, the hearing body will go into closed session to deliberate and all both parties and other persons will be excused.

During initial hearing deliberations, the hearing body, (Student Conduct or Title IX) shall determine whether or not the respondent has violated each section of the Code of Student Conduct. During appeal hearing deliberations, the hearing body shall make a determination of whether to uphold, modify, or reverse the decision of the original hearing body.
Recommendations of the hearing body shall be furnished to the Director of Student Conduct and, where appropriate, the Title IX Coordinator, who review and finalize the findings.

The final decision, pending the appeal process, shall be communicated, in writing, to both parties within five (5) University business days from the concluded hearing date.

Safety Precaution Options: The hearing body may accommodate for the personal safety, well-being, and/or fears of confrontation of the complainant, respondent, and/or other witnesses during a hearing by providing separate facilities, videoconference capabilities, by permitting participation by telephone, written statements, or other means, as deemed appropriate by the Vice President for Student Affairs or the Director of Student Conduct.

Notice of Final Outcome:

The complainant and respondent shall be informed of the final determination of responsibility for each specific alleged policy violation. The hearing body shall provide the respondent(s) with written notice of the final outcome of the investigation and/or hearing. In accordance with the laws of the Federal Educational Rights and Privacy Act of 1974, the Crime Awareness and Campus Security Act of 1990, and the Violence Against Women Reauthorization Act of 2013, the complainant(s) and respondent(s) shall be provided simultaneous written notice of the outcome of the investigation and/or hearing of crimes of violence, sex offenses, and Title IX-related offenses. Crimes of violence, sex offenses, and Title IX related offenses include arson, aggravated assault, burglary, simple assault and/or battery offenses, intimidation, stalking, criminal homicides, destruction or damage to property, kidnapping or abduction, robbery, and sexual misconduct offenses (harassment and/or sexual assault, including rape). If appropriate and requested by the party, the identified advisor of the respondent(s) and complainant(s) shall receive a copy of the final outcome letter.

Sanctions:

Penalties for violation of University regulations or law may include, but is not limited to, one (1) or more of the following:

1. **Warning** - A verbal and/or written notice to the student that the student is violating or has violated University regulations.

3. **Probation 1** - A written reprimand for violation of specified regulations and a loss of privilege from representing the University in on- or off-campus co-curricular academic, athletic, or other social functions sponsored by the University during the probationary period. Probation is for a designated period of time and includes the probability of more severe sanctions, such as suspension or expulsion, if the student is found responsible for violating any further institutional regulation(s) during the probationary period.
4. **Probation 2** - Due to previous university violations at other institutions and/or law violations prior to admittance to the University of Central Oklahoma, a specified conditional period of enrollment may be applied to an incoming student. The conditional period may include a denial of access to one or more of the following areas and/or events of the University of Central Oklahoma:

- Periodic or Regular Check-Ins with designated Housing and Dining Officials.

5. **Deferred Suspension** - Official suspensions may be deferred for a semester or an indefinite period of time. The suspension will be automatically enforced for any subsequent violation of the Code of Student Conduct or local, state, or federal laws. In addition, the student or student organization may be responsible for completing subsequent sanctions applied for the most recent violation.

6. **Loss of Privileges** - Denial of University privileges for a designated period of time, such as denial of entry or usage of certain areas on-campus or restricted usage or attendance of certain University privileges or events.

7. **Conduct Hold** - A student given a conduct hold may be required to have all enrollment and release of academic records approved through the Director of Student Conduct. A conduct hold may also be utilized to ensure compliance with other sanctions or requests to appear.

8. **Fines** - Established and published fines may be imposed for violating University policies including, but not limited to, the Tobacco Free Campus Policy. In addition, fines may be imposed for failure to complete assigned sanctions by designated deadlines.

9. **Parental Notifications** - If a student is under the age of twenty-one (21) and has been found responsible for violating any local, state, or federal laws, including any alcohol or controlled substance policies, then the Director of Student Conduct and/or designee may contact and discuss the matter and/or resolution with the parents or legal guardian of the student.

10. **Assessments/Evaluations** - A directive to attend and actively participate in as many appointments or sessions as necessary or recommended that will aid in the direction of the overall sanction learning outcome. These appointments or sessions may be facilitated by the UCO Center for Counseling and Well-Being, the Alcohol and Drug Abuse Prevention Office, or other campus or non-campus agency.

11. **Program Participation** - A directive to attend, actively participate, and successfully complete individual and/ or group appointments or sessions that will aid in the direction of the overall sanction learning outcome. These appointments or sessions may be facilitated by the UCO Center for Counseling and Well-Being, the Alcohol and Drug Abuse Prevention Office, or other campus or non-campus agency. Generally, sanctions that involve therapy shall specify a certain number of appointments or sessions for successful completion. Typically, program participatory sanctions will aim to provide students with a transformative learning experience in the areas of academic integrity, alcohol and/or drug abuse, civility, or anger management.

12. **No Contact Order** - A directive that prohibits all forms of contact with another person or persons, which specifies a time period of enforcement. Forms of contact may include, but are not limited to, telephone calls, contact through another person, contact initiated through social media, attendance of certain University-sponsored events, text messages, e-mail or any other electronic means. A No Contact Order may be temporarily instituted prior to a hearing as a means of preserving the safety of the University learning community and balancing the rights of respondents and/or as a final sanction at the conclusion of a hearing. Violation of the No Contact Order may result in a suspension from the University.

13. **Restitution** - Compensation for loss, damage or injury. This may take the form of appropriate service and/or monetary or material replacement.

14. **Discretionary or Educational Sanctions** - Community service, program development/promotion, program participation and/or completion, written assignments, service to the University, research assignments, or other related discretionary
assignments. Such assignments must have the prior and concluding approval of the Director of Student Conduct.

15. **Residence Hall Transfer** - A student resident may be required to transfer residence halls due to a policy violation or pattern of policy violations that affect a particular residence hall community. This transfer may be for a specified or indefinite period of time.

16. **Residence Hall Contract Termination** - Separation of the student from the Residence Halls for a period of time, after which the student may be eligible to return. Conditions for readmission may be specified.

17. **Residence Hall Expulsion** - Permanent separation of the student from the Residence Halls.

18. **Temporary Suspension** - A student may be temporarily suspended from the University or University Housing facilities prior to, before or during an investigation if one (1) or more of the following is necessary:
   1. To ensure the safety and well-being of members of the University community or the preservation of University property;
   2. To ensure the student’s own physical or emotional safety and well-being; and/or,
   3. If the student poses an ongoing threat of disruption of, or interference with, the normal operations of the University.

19. **University Suspension** - A student may be suspended from a University residence hall/apartment and/or the University for a finite period of time, not less than the remainder of the current semester in which he or she is enrolled. The student who has been suspended may apply for readmission at the close of the period for which he or she was suspended. Conditions for readmission may be specified. A suspension hold may be placed on the transcript during the period of suspension. Likewise, a notation of the suspension may be placed on the student’s academic transcript at the discretion of the Director of Student Conduct.

20. **University Expulsion** - Permanent separation of the student from the University. When a student is expelled, a notation of the expulsion will be placed on the student’s academic transcript at the discretion of the Director of Student Conduct. A student who is expelled will not be allowed to reenter the University premises or have further contact with the University.

21. **Degree Revocation or Rescission of Credit** - For those students found to have violated University policy and who have already graduated, the University may elect to revoke the degree(s) of a given student. Likewise, the University may elect to rescind credit for a specific course or program.

22. **Transcript Notation** - A notation on a student’s academic transcript indicating that a student is ineligible to return to the university for a disciplinary violation.

More than one (1) of the sanctions listed above may be imposed on any single violation. Furthermore, the aforementioned sanctions are not meant to be a comprehensive list.

Other than University suspension and expulsion, disciplinary sanctions shall not be made part of the student’s permanent academic record, but shall become part of the student’s private education records.

Following the investigation and/or hearing, the hearing body and/or the Director of Student Conduct shall advise the respondent or respondent organization representative and complainant in writing, when appropriate, of its determination and of the sanction(s) imposed, if any.

Any student or student club, group or organization found responsible for a violation of University policies which does not result in their temporary suspension, suspension, expulsion, credit rescission, or degree revocation, shall be entitled to a request for an Appeal by the Vice President for Student Affairs, as specified in Sections III.S.-T. Additionally, any student or student clubs, groups or organizations found responsible for a violation of the University policies which results in their temporary suspension, suspension, expulsion, credit rescission, or degree
revocation, shall be entitled to an appeal hearing by the Committee on Student Conduct or Title IX Panel, as specified in Section III.S.-T.

If a student appeals a decision of suspension, expulsion, degree revocation, or rescission of credit, the decision will remain in effect during the appeal request and review, until a final decision is rendered.

Appeals:

The Appeal Request process serves as a procedural safeguard for the involved parties. A decision reached or sanction imposed by a hearing body may be appealed by the respondent and complainant. Complainants and Respondents may request that the decision reached or sanction(s) imposed, if any, by a hearing body be reviewed, according to the grounds described below.

Appeal Request Description and Merits - An appeal is a review of the record of the original investigation, finding of responsibility, sanctions assigned, and/or hearing procedures. Appeals are limited to a review of the investigation, findings of the initial investigation, related hearing, and supporting documents. Appeal proceedings (review or hearing) will take place to review appeal requests that are received within the appeal request deadline and substantially articulate one (1) or more of the following appeal merits:

1. *Disproportionate Sanction(s)*: To consider whether the sanctions imposed are significantly disproportionate to the severity of the violation. (Simple dissatisfaction with a sanction is not grounds for overturning a sanction under this provision.)
2. *New Information*: To consider new documentation, unavailable during the original hearing or investigation, that could substantially impact the original finding or sanction(s). A summary of this new documentation and its potential impact must be included.
3. *Procedural Error*: To determine that a procedural or substantive error occurred during the investigation or hearing that significantly impacted the outcome of the hearing (e.g. unjustified and significant deviation from published procedures, etc.).

Appeal requests may be submitted on the Office of Student Conduct “Orgsync” page at [https://orgsync.com/114403/forms/145119](https://orgsync.com/114403/forms/145119). All appeal requests must be completed, signed, submitted, and received within three (3) business days after the disciplinary decision has been rendered and received. Failure to check or claim notice of the disciplinary decision by email, US Postal Service, or campus mail will not constitute an acceptable reason for non-receipt of the original decision.

Appeal Request Reviews - When appeal request forms are completed and submitted, the Assistant Vice President for Student Affairs will review the appeal request to determine if the appeal request was submitted within the three (3) University day window and substantially articulates one (1) or more of the aforementioned appeal merits.

1. *Request Denials*: If the appeal request IS NOT submitted within three (3) business days and/or the appeal request DOES NOT substantially articulate one (1) or more of the appeal merits, then the Assistant Vice President for Student Affairs will notify the requesting party and other party that the appeal request is denied.
2. *Requests Granted*: If the appeal request IS submitted within three (3) business days AND the appeal request DOES meet one (1) of the appeal merits, then the Assistant Vice President for Student Affairs will notify the requesting party that the appeal request is granted and will notify each party (complainant and respondent) that an appeal hearing or review will be forthcoming.
a. Appeal requests that DO NOT involve suspension, expulsion, temporary suspension, rescission of credits, or degree revocation are reviewed by the Vice President for Student Affairs.

b. Appeal requests that DO involve suspension, temporary suspension, expulsion, degree revocation, or rescission of credit are reviewed by the Committee on Student Conduct or the Title IX Panel, if a Title IX related policy violation was involved.

For granted appeal requests, the Assistant Vice President for Student Affairs will inform the opposing party of the granted appeal requests (e.g., if the respondent’s appeal request is granted, the appeal request will be shared with the complainant, who may also wish to file a response). Furthermore, each party will be contacted to coordinate the date and other necessary logistics for the appeal review or hearing. The Assistant Vice President for Student Affairs, the Committee on Student Conduct, and/or the Title IX Panel will make every attempt to hear or resolve an appeal within fifteen (15) Business days of the submitted appeal request.

Pending Sanctions During Request and Review - All sanctions imposed by the original hearing body will be in effect during the appeal request and review. A request may be made to the Director of Student Conduct for special consideration, due to exigent circumstances, but the presumptive stance of the University is that the sanctions will stand. Graduation, study abroad, internships, co-curricular activities, and athletic team involvement do not, in and of themselves, constitute exigent circumstances. Hence, students may not be able to participate in those activities during their appeal request and review. In cases whereby the appeal review results in a reinstatement to the University or of a return of previously lost privileges, all reasonable attempts will be made to restore the students to their prior status and assist with correspondence for missed coursework, while acknowledging that some opportunities may be lost in the short term. The University shall maintain safety as the first priority.

Significant Newly Acquired Information - In cases whereby newly acquired or discovered documentation, sufficient enough to alter the original decision is submitted as an appeal request beyond the expired appeal request deadline, the matter may be reviewed by the Vice President for Student Affairs for consideration of re-opening the case. If the newly acquired or discovered documentation was not accessible during the original appeal deadline, then the Vice President for Student Affairs may conduct an initial review of the newly submitted appeal request form and remand the case to the original hearing body for re-opening of the hearing to allow reconsideration of the original determination and/or sanction(s). If the newly acquired or discovered documentation is not sufficient enough to alter the original decision, the appeal request may be denied. The decision of the Vice President will be final.

Appeals Reviewed by the Vice President for Student Affairs - After receiving the granted appeal request, the Vice President for Student Affairs will initiate a further review of the appeal and make a determination to affirm, modify, or reverse the original hearing body’s decision, as stated in Section III.T.

Appeals Reviewed by the Committee on Student Conduct or Title IX Panel - The Committee on Student Conduct consists of faculty, staff members, and student members who review appeals that involve cases resulting in temporary suspension, suspension, expulsion, degree revocation or rescission of credit. The Title IX Panel consists of faculty and staff members who review appeals that involve sexual misconduct and/or other Title IX policy violations. After receiving the granted appeal request, a quorum of the appropriate hearing panel will be convened. The appeal will be further reviewed by the Committee on Student Conduct or Title IX Panel through a formal appeal hearing. At the appeal hearing, the party requesting the appeal must demonstrate their selected appeal merit(s), as the original findings and sanctions will be presumed to have been decided reasonably and appropriately.
Appeal Hearing Proceedings - Appeal Hearings will be conducted in the same manner as initial formal hearings. Generally, the Director of Student Conduct or designee shall serve as the University’s representative. The University Legal Counsel shall serve as the advisor on matters of procedure to hearing bodies.

Outcome of an Appeal

Appeals reviewed by the Vice President for Student Affairs, Committee on Student Conduct, or Title IX Panel will result in one (1) of three (3) outcomes:

1. That the original hearing body’s determination is affirmed;
2. That the original hearing body’s determination be modified; or,
3. That the original hearing body’s determination be reversed.

The outcome of an appeal request shall be shared with both parties (complainant and respondent). The decision of the Vice President for Student Affairs or the Committee on Student Conduct or Title IX appeal hearing panel shall be final. In general, the Vice President for Student Affairs or the hearing panel shall make every attempt to review appeal requests within fifteen (15) University days of the submitted written request.

Procedures for Reporting Sexual Misconduct

In addition to addressing criminal sexual misconduct through the criminal justice system, incidents involving students, faculty, and staff may be reported to the University for disciplinary action. Although reports to law enforcement are always encouraged, a criminal report is not necessary to initiate disciplinary proceedings. Individuals reserve the right to choose whether or not to report incidents of sexual misconduct to law enforcement or for disciplinary action. Students found responsible of sexual misconduct may face a number of sanctions, up to and including, expulsion. Further information regarding the disciplinary process may be obtained by contacting the Office of Student Conduct at (405) 974-5380. In addition, copies of the Code of Student Conduct may be obtained at the Office of the Vice President for Student Affairs, Lillard Administration Building, 213, (405) 974-2361 and online at: http://www.uco.edu/student-affairs/conduct/files/codeofconduct.pdf

The Project SPEAK office can also aid survivors in reporting sexual misconduct. The office provides information on options available to individuals through law enforcement, civil proceedings, and the student conduct process. Additionally, the office can assist individuals by providing referrals to resources to meet their needs.

Individuals who report sexual misconduct will be provided an explanation of procedures for institutional disciplinary action in cases of sexual misconduct, information about their rights and options, as well as information about counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid, and other on- and off-campus services available. In addition, individuals will be informed of and offered resources such as living situation support (room changes and on-campus housing relocation), academic support (such as tutoring and emergency absence notifications, transportation situation support, working situation support, and other protective measures available to help ensure safety. Accommodations or protective measures are provided if the individual request them and if they are reasonably available, regardless of whether the victim chooses to report the crime to campus police or local law enforcement.

Sexual Misconduct Complaint Procedures

The University of Central Oklahoma’s policies offer both informal and formal grievance procedures to resolve cases of alleged sexual misconduct involving students, faculty, and staff. A complete copy of the policy is available at http://www.uco.edu/legal_and_policies.asp. To file a formal complaint, please contact one (1) or more of the following offices:

1. Title IX Coordinator, Lillard Administration Building, Room 114D, (405) 974-3377
2. Office of Student Conduct, Nigh University Center, Room 136, (405) 974-5380
3. Human Resources Department, Nigh University Center, Room 317F, (405) 974-2327
4. UCO Police Department, Police Services Building, (405) 974-2345

Students may also contact any of the following types of employees responsible for reporting sexual misconduct: Resident Advisor, Residence Hall Director, class instructor, department chair/school director, college dean, the Office of Student Conduct. All University staff not
identified as professional counselors or advocates are responsible for reporting to the Title IX Coordinator all relevant details about alleged sexual misconduct.

If for any reason the aforementioned campus entities are involved in the alleged harassment or discrimination, or the student does not believe that the entity can be impartial, the student may file the complaint with the following University entities:

1. UCO Title IX Coordinator, Lillard Administration Building, 114D, (405) 974-3377.

The Title IX Coordinator is responsible for monitoring and oversight of implementation of Title IX Compliance at the University. This includes coordination of training, education, communications, and administration of gender discrimination grievance procedures for faculty, staff, students and other members of the University community.

Complaints involving students shall be promptly, fairly, and impartially investigated by the Director of Student Conduct or his or her designee, which shall reflect the normal investigation, hearing, and appeal procedure. Investigating officials receive at minimum annual training on issues related to dating violence, domestic violence, sexual assault and stalking, how to conduct an investigation, and hearing processes that protects the safety of victims and promotes accountability. The investigation should be completed promptly so that a decision can be rendered within sixty (60) days of receipt of the complaint. If this is not possible, the investigator will inform the complainant of the status of the investigation within sixty (60) days, the reason(s) for delay, and an estimated completion date for the investigation. At the conclusion of the investigation and hearing, the Office of Student Conduct shall send simultaneous written notice of the final determination to each party and the Title IX Coordinator.

To the extent possible, all records involving sexual misconduct allegations are kept private. In accordance with the Jeanne Clery Act, UCO must complete publicly available record keeping, reporting and disclosures. This information is reported for statistical purposes and no personally identifiable information about the complainant or reporting party is released. Further, any accommodations or protective measures provided to complainants or reporting parties is also maintained as private as possible, to the extent that the ability of the institution to provide the accommodations is not impaired.

**Prohibition of Retaliation for Reporting**

Retaliation against reporters of sexual misconduct is prohibited by University policy and federal and state laws. Retaliation includes threats, intimidation, and/or reprisals against anyone who reports prohibited behaviors.

**Anonymous Reporting**

An anonymous report is an unofficial means to inform the University administration and/or UCO Police Department that sexual misconduct has occurred on-campus, near campus, or against a University member. This method has been developed to encourage student reporting of sexual misconduct without the risk of identity exposure and the pressures of filing a report with the Office of Student Conduct and/or filing criminal charges with a local law enforcement agency. The anonymous report will provide valuable information to the University administration and UCO Police Department, which will allow for improved prevention programming and resources in the future for the UCO campus community.

Anonymous reports may be filed with the Office of Student Conduct, whether or not criminal charges are filed at a later date. The Anonymous Reporting Form can be found and completed online at [http://www.uco.edu/conduct](http://www.uco.edu/conduct). Additionally, anonymous reports may be filed with RUSO
Ethics Point by calling 866-898-8438 or online at https://secure.ethicspoint.com/domain/media/en/gui/30756/index.html.

To keep information anonymous, do not include names of any person involved. If names are included, this is no longer considered an anonymous report and an investigation may be conducted. Anonymous reports will remain confidential to the public, but may be shared with UCO Police Department and/or the Center for Counseling and Well-Being for statistical, programmatic, and/or referral purposes.

Since the anonymous reporting method is unofficial, the Office of Student Conduct may not be able to take disciplinary action in response to such a report.

**Programs and Services**

**Project SPEAK** (Support, Promote, Educate, Advocate for Knowledge): The goal of Project SPEAK is to spread knowledge and develop a campus culture that fosters healthy relationships. Through knowledge, UCO community members will not condone violence or victim blaming, but will provide an environment that is conducive to every individual's success. In this program, students, staff and faculty are supported by providing a confidential assessment of their needs, free of charge. Awareness of domestic and sexual violence, sexual assault, stalking and bullying are promoted via campus wide activities and class presentations. This project informs the campus community on the importance of being a proactive bystander as well as providing advocacy for those who need it, all while striving to assist everyone at UCO with a non-judgmental and compassionate demeanor at all times. Project SPEAK helps those that have lost their voice to find their voice again by empowering people to SPEAK and break the silence. Project SPEAK will inform those that have experienced sexual assault or some form of violence of all the services that are available to them and assist them in exploring the possible options to pursue. Project SPEAK staff advocate for the individual as much, or as little, as is desired. Project SPEAK collaborates with agencies and partners to provide referrals to: obtain a VPO (Victims Protective Order), obtain counseling and additional support services, file a No Contact Order, file a police report on or off campus, assist in relocation within the dorms, assist with the student conduct process, address academic concerns, and assist with schedule changes, if desired.

**Information on Primary Prevention & Risk Reduction:** The University develops a campus culture that fosters healthy relationships through supportive efforts, promotion, education, advocacy and knowledge. Education and knowledge are the two key components that encourage the campus community to be responsible, engaged and pro-active bystanders. This is established through university events, programs and trainings throughout the fiscal year. UCO’s prevention approach is comprehensive in that it addresses factors at each level that influences violence: individual, relationship, community and society. Primary prevention education programming is designed to benefit everyone at UCO, regardless of gender identity, sexual orientation, or gender expression.

UCO acknowledges that sexual misconduct on college campuses is a serious issue that can have lasting harmful effects on those that experience it as well as their friends and family members. Thus, one goal of the University to stop those that perpetrate violence on our campus by widely publishing grievance policies and educating about disciplinary and other options available to individuals who may have experienced sexual misconduct.

Another goal of the University is to decrease the number of individuals that experience sexual misconduct on our campus. The risk of sexual misconduct is reduced by a variety of efforts which include, but are not limited to: promotion of SafeWalk, promotion of My SPEAK plan cards (an informative checklist to prevent sexual misconduct), promotion of understanding consent including: affirmative language, self-defense seminars and bystander intervention techniques adapted from Bringing in the BystanderTM (BITB) (BITB is a registered trademark of the University of New Hampshire Prevention Innovations.) UCO does not condone any form of violence or victim blaming and strives to provide an environment that is conducive to every individual’s success. Project SPEAK, the Office of Student Conduct, the Title IX Coordinator, Athletics, and many other offices partner to provide ongoing education to students, faculty, and staff and comply with guidelines established by the reauthorization of the Violence Against Women Act and guidance issued by the Department of Education. In addition, trainings are supplemented with educational presentations on topics including: dating violence, domestic violence, stalking, bullying, sexual assault, sexual harassment, bystander intervention, consent, healthy vs. unhealthy relationships, the conduct process, peer advocacy, rape culture/victim blaming, how to support a survivor and resources available at the university, state and national level.

**Bystander Intervention:** Bystanders are individuals who witness emergencies, criminal events or situations that could lead to criminal events or policy violations and by their presence may have the opportunity to provide assistance, do nothing, or contribute to the negative behavior. UCO promotes the development of pro-active bystanders, individuals whose behaviors intervene in ways that influence the outcome positively. An active bystander can intervene before, during or after an act of violence (or any misconduct) has occurred. By being an active bystander, one can provide a positive social support system, which is essential in the resilience and recovery of the individual who has experienced a form of violence, coercion, intimidation, harassment, or any other treatment that causes distress. UCO develops active bystanders via campus-wide implementation of bystander intervention education programming adapted from Bringing in the BystanderTM (BITB) (BITB is a registered trademark of the University of New Hampshire Prevention Innovations.)

Bystanders have safe and positive options for intervening effectively. Bystanders can provide a positive social support system, which is essential in the resilience and recovery of the individual that experienced a form of violence, whether through force, coercion, intimidation or harassment. Bystanders can also intervene before, during or after an act of violence has taken place. There are effective measures an individual can take in order to preventing a risky situation from escalating, while at the same time keeping out of harm’s way. Active bystanders
must 1) notice the event, 2) interpret the incident as an emergency, 3) assume responsibility for intervening, and 4) have the bystander intervention skills to intervene effectively. UCO promotes the “4 Ds” of effective bystander intervention skills, including “Direct, Distract, Delegate, Delay”.

Ongoing prevention and awareness campaigns: UCO hosts a series of events, programs and training throughout the year to educate the campus and community about domestic violence, dating violence, sexual assault, sexual harassment, bullying, consent and stalking. Primary focus months are in October (Domestic Violence Awareness Month) and April (Sexual Assault Awareness Month). UCO also combines campaigns and awareness efforts that are found on local and national levels to develop UCO branded programs, events and trainings. Some examples include: Start By Believing, Consent is Sexy, Not Alone and It’s on US.

Additional Primary Crime Prevention and Awareness Programs

Campus-Wide:

- **All students, faculty and staff** are required to complete yearly training regarding the university’s Sexual Misconduct and Gender-Based Discrimination policies and procedures. This training program is administered online. Continued employment and/or enrollment as a student requires completion of this program.
- **Success Central**: Most new freshman students enroll in this two-credit hour course to strengthen skills associated with being a successful college student. The UCO-designed text includes safety and security information designed to help make students aware of their surroundings, avoiding victimization and what to do if a crime such as sexual misconduct or other emergency occurs.

Division of Student Affairs:

- **Center for Counseling and Well-Being**
  - Project SPEAK (see above)
  - The University of Central Oklahoma Center for Counseling and Well-Being will provide follow-up counseling and other resources for you and your family and friends so that you can deal with these problems. For more information, please contact the Center for Counseling and Well-Being, Nigh University Center, Room 402, (405) 974-2215. You may also visit: [http://www.uco.edu/student_counseling/vpp/](http://www.uco.edu/student_counseling/vpp/).
  - Specific Programs include: Domestic Violence Awareness Month (October); and, Family Violence Prevention Month (November)

- **Wellness Center**:
  - UCO’s fitness and wellness facility offers numerous programs including Self Defense classes all year long. They also offer a class called Krav Maga which is a multi-disciplinary self-defense program originally developed for the military.

Athletic Department:

- The UCO Athletic Department requires all student athletes to complete an orientation each year. This orientation includes information on sexual misconduct including sexual violence, rape awareness, domestic violence, dating violence, sexual assault and stalking. The program provides resources to help student athletes avoid victimization and resources available should sexual misconduct occur. Student athletes are also
encouraged to volunteer or participate in campus programs offered by on-campus such as Sexual Health Awareness Week.

Department of Housing and Dining:

- Intensive staff training for housing center directors, resident advisors and others occurs each August and January. Sexual misconduct including dating/domestic violence and stalking are key topics.
  - A key component of this training is empowering housing staff persons regarding resources and requirements to report pursuant to policy and law. Swift and appropriate action is required in every case.
  - Specific topics of training for housing staff have included Title IX investigator training and Bystander Intervention training.
- Students living in housing are also provided training and information on Sexual Misconduct through a variety of venues.
  - Resident meetings in August and January that include a wide range of topics related to safety and security.
  - Brochures from Project SPEAK, Office of Student Conduct and the Center for Counseling and Well-Being are made available to students in each residence facility.
  - Resident Advisors are empowered and expected to be active in getting students involved in campus-wide activities such as Sexual Health Awareness Week and Sexual Assault Prevention Week.
  - Bulletin boards across each housing facility are often comprised of awareness facts and figures that promote sexual assault prevention and domestic violence education.

Police Services:

- Orientation sessions for new employees and new students and their parents all incorporate information on personal safety and security of property. They also include procedures to follow on both prevention of crime (including Sexual Misconduct) and the response to a crime, should one occur. Orientation sessions where this information is provided include:
  - New Student Orientation
  - International Student Orientation
  - Parent Orientation
  - New Employee Training
  - Student-Athlete Orientation
  - Commuter Student Orientation
- Police Services and other university offices and organizations sponsor crime prevention and security/safety presentations year round.
- Upon request, Police Services will provide educational programs to promote awareness of sexual misconduct and other topics relevant to our community. These programs can be tailored to meet the needs of any group and will be provided by campus police personnel or in partnership with other campus programs.
- Police Services can create or custom-tailor a presentation or program for any group, department or office upon request. Programs will be offered and conducted to meet community demand regardless of frequency. A seminar may be scheduled by calling the Police Services Crime Prevention Unit at (405) 974-2345. Additionally, Police Services partners with other campus offices such as the Wellness Center, Student Affairs, and Housing and Dining Services on programs. If resources or expertise on a particular issue can be aided by use of an external program or source, Police Services will coordinate to bring that program to campus to meet campus programming needs.
  - Program topics include:
    - Alcohol/Drug Awareness
    - Physical and Property Security
    - Workplace Violence
Active Shooter Response
Terrorism Preparedness and Response
Emergency Management Planning and Response
Rape/Date Rape Prevention and Response
Internet and Identity Theft
Bystander Intervention

Information on alcohol and drug abuse may also be obtained through the U.S. Federal Substance Abuse and Mental Health Services Administration at (800)729-6686.

Statistics in each category (including Hate Crimes) are separated by their location as either occurring in a residential facility or non-residential facility if they occurred on campus property. The data sets for each category have been broken down by type and location, each having its own summary box for years 2012 through 2014. Statistics are broken down by location with each having its own statistics table. Note: On-Campus statistics are the total of incidents known to the university that occurred in Residential Student Housing and all other areas of campus combined.

Statistical Caveats for 2015 Annual Report
Data sources for the statistical summary that follows include the UCO Police Services, the City of Edmond Police Department, the City of Oklahoma City Police Department, the University of Central Oklahoma Division of Student Affairs, Office of Housing and Dining and other university sources (Campus Security Authorities).
