UCO Transportation & Parking Services will be holding a monthly drawing for a premium parking pass to encourage donations to the Central Food Pantry. The premium parking pass will allow someone to park in the Visitor Lot near the Nigh University Center, and the metered parking spaces near Lilliard Administration and the Library for 30 consecutive days. To enter the drawing, you must bring non-perishable food donations to the Transportation & Parking Services office, (Nigh University Center, Rm. 309A). Donating three items gets you one entry into the drawing. For every donated item that is on the Central Food Pantry’s “high needs” list, you get an additional entry into that months drawing. (i.e. if you donated 9 items, you will get 3 entries; if 1 of those items is a high needs item, you will get 4 entries). The “high needs” list can be found on the Volunteer and Service Learning Center website: www.uco.edu/student-affairs/vslc/ and then clicking on “Central Pantry”. There you can also find a list of items the pantry accepts. UCO Students, Faculty, and Staff are eligible to participate in the drawing.

Note: Each month you must donate new items in order to be eligible (if you donate in January but don’t win February’s contest, your entry does not roll over to the next month).
