Rates for Collaborative Pianists

Recital Preview ....................................................... $30

Undergraduate Recital + Dress Rehearsal ............ $150
**There is a two (2) hour limit on the dress rehearsal.

Graduate Recital + Dress Rehearsal – Rates begin at $150

All other lessons and other rehearsals that are not covered by vocal accompanists are to be paid for by the student and those fees vary - $35-40 per hour depending on the pianist.

Payment of fees is due when services are rendered. Payment is to be made directly to the collaborative pianist. Students might want to consider making payments in installments, such as at each rehearsal, so as to avoid making one large final payment.

Thank you.
