Attendance Policy

THEATRE ARTS POLICY: Due to the nature of this course, each student is expected to attend class regularly. Students missing 2 weeks of class (cumulatively) or more will automatically receive an F or be asked to withdraw from the course. The only exemptions are: *jury duty, military, and school-sanctioned events with a written one-week notice submitted by letter*. Death in the immediate family and other extenuating circumstances will be considered on a case-by-case basis. Arriving after roll is taken and/or leaving before the instructor dismisses the class defines a tardy. Two tardies will equal one absence. There are no makeups for tardies and unexcused absences.

Production Shop/LAB- Due to the nature of this course, each student is expected to attend lab regularly. Students missing 4 or more labs will automatically receive an “F” or be asked to withdraw from the course. **3 times tardy = 1 absence.** Leaving class early or disrupting the learning experience will be considered an absence. Unique individual situations may receive consideration but the automatic “F” for absences may not be excused without the permission of the chair and that of the instructor.

Production Running Crew- Production crews require strict time frames, therefore any student late twice or absent once will receive an automatic “F” or be asked to withdraw from the course. Your show assignment will be assigned in the first two days of technical rehearsals.

**Late** = **0-15 minutes after the call time**-if you know you are running late, please call the SM

**Absent**= **15 or more minutes after the call time**
**Professionalism**

UCO Theatre Arts students are asked to foster a high standard of professional and courteous behavior. This is applicable to the work submitted for class and to student’s self conduct in a learning environment. The goal is to support a genuine collaborative environment and establish positive working relationships. Poor quality of work, disruptive or disrespectful decorum, or any activity deemed detrimental to the success of the endeavor at hand, will constitute grounds for failure or dismissal at the discretion of the Professor.
