

Upper Division Physics and Chemistry Teacher

Casady School seeks a full-time, Upper Division (9-12) Physics and Chemistry teacher. Said teacher will implement the curriculum of the content areas and will create and maintain an age appropriate environment. Qualifications and essential functions include but are not limited to:

- Bachelor's degree required, advanced degree or advanced coursework in the subject areas preferred.
- Responsible for: working with students with a wide range of abilities and interests; implementing the curriculum through engaging presentations, discussions, lessons, and labs; assigning, collecting, and evaluating assignments, including lab reports; and collaborating with colleagues.
- Conduct parent conferences twice a year and send grade reports three times a year to parents, and communicate with parents throughout the year on an as needed basis, both in person and electronically.
- Attend divisional meetings, in-service days, and participate in other school activities.
- Perform the myriad duties required of all Independent school teachers.

Please submit cover letter and resume to Dr. Jon Powell at powellj@casady.org
