How to Change your Major Online

Follow these Steps:

1. Go online to www.uco.edu
2. Click on **Current Student** in the menu bar at the top just under the UCO banner
3. Scroll down until you see **Academic Resources**, then click on **Academic Advisement**.
4. In the left menu with the blue background click on the item **Forms**
5. Scroll down and in the center of the page click on **Request Change of Major/Minor Form**
6. When you fill out this form you will need the following info:

   - ID number
   - Last four digits of your social security number
   - Your current major
   - Your new declared major

Note:

- When entering EP or BME programs into the boxes on this form, it is best to include as much information as possible.
- Here are the official names and associated major codes for each undergraduate engineering major offered by the department
