How to Pay Your Student Bill Online:

1. Visit www.uco.edu and point to the current students tab, then click on UCONNECT.

2. Log onto UConnect by entering your username and password.
   - Your username is typically your first initial and last name, though there can be a number or numbers after your name, example: Buddy Broncho's username might be bbroncho or bbroncho2.
   - Upon admission students receive a one-time link that allows them to set their own UCONNECT password. These emails are sent to the third party email address that each student provides on his or her application for admission. Contact Technology Support at (405) 974-2255 if you did not receive this email.

3. Once you have logged onto UCONNECT look for a white box that says “MY ACCOUNT”, it will have semesters on the left and a balance column on the right. Click on any of the semesters.

4. Scroll down to the bottom of the screen and you will see “Pay Now”. Clicking this will log you into the eBill site. From here select “Make a Payment”. There are two options for paying online, electronic check and credit card.
   - The University accepts payments by electronic check, however, credit card checks are NOT accepted online. You will be not charged a service fee for paying online with a check. Use this method if you were planning on paying by debit card to avoid a card processing fee.
   - The University accepts the following credit cards online with a 2.75% service charge: Visa, Mastercard, Discover and American Express.

NOTE:
If you receive any type of error message while making an electronic payment please contact Technology Support at 405-974-2255 for technical assistance (IT is open M-F, 8:00 am – 5:00 pm.)
