An 80,000-word thesis would take 9 hours to present.

Their time limit... 3 minutes.
The Jackson College of Graduate Studies announces the Three Minute Thesis (3MT) competition for graduating graduate students in the Spring of 2017. Graduate students are invited and encouraged to compete by presenting their thesis or area of interest for cash prizes of $1000 for first place, $500 for second place, $250 for third place, and $250 for the People’s Choice Award.

The format requires that within a strict 3-minute time limit each presenter will explain his/her research using one slide, with no notes, and talking in laymen’s terms. Aside from the possible monetary winnings, the real value is the ability of the presenter to hone his/her speaking skills for later presentations at job interviews, speaking effectively in front of others, and other advocacy settings.

Please complete the 3MT application form on the JCGS website (www.uco.edu/graduate/three-minute-thesis.asp) and email to Ms. Lana Canale (lcanale@uco.edu) along with a one-page summary of your thesis or major paper and a one-page resume with e-mail address by March 31, 2017. Finalists will be selected and notified for the live round to be held April 18, 2017, at the Heritage Room, Room 326 in the Nigh University Center. For more information, please contact Dr. Robert Mather at (rmather@uco.edu) or (405) 974-5474.
