Admission Requirements (All Applicants)

Any student who meets the minimum admission requirements is encouraged to submit an application. Students should be aware, however, that admission is competitive and meeting the admission requirements alone does not guarantee admission. All applicants are reviewed by an admissions committee who considers all of each applicant's submitted materials and scores before making offers of admission. Prospective students who do not have an undergraduate degree in business are encouraged to apply and may need to complete leveling courses, which will cover business fundamentals as part of their program. Leveling courses are available in self-paced, online formats.
