

Our Mission

UCO **helps students learn** through transformative educational experiences, growing productive, creative, ethical and engaged citizens and leaders.

Our Vision

UCO will be one of the nation's top metropolitan universities, serving our community while providing our students the opportunities to achieve their highest level of leadership potential.

Central Six

Students will be transformed through:

- Discipline Knowledge
- Leadership
- Research, Scholarly and Creative Activities
- Service Learning and Civic Engagement
- Global and Cultural Competencies
- Health and Wellness
